

Bakery plan

Plans are in the works to build a bakery and residential unit on the south east corner of Highway 7 and the Fourth Line.

Mr. C. D'Agostino, the owner of the property, received a one year extension to acquire building permits for the property. Original site plan approval was granted a year ago.

History course

From July 6th until August 14, the Halton Region Museum and the Halton Board of Education will be

conducting a six week credit course in history and historical archaeology at a pioneer settlement site off Appleby Lane in rural north Burlington. As this is a normal credit course for students in grades 9, 10 and 11, there is no fee for those who are eligible. The course will consist of "hands on" archaeological field experience under the guidance of a qualified archaeologist and classroom instruction provided by qualified teachers from the Board and Museum. Registration for this course is limited to no more than 30 students. Students wishing to register or seeking further information about this course should contact Ms. Cindy

Ledwith at the Halton Region Museum 416-878-3232 or the Continuing Education Department, Halton Board of Education, 416-335-3663. In addition, there will be a two week special interest field school at the same site from August 3 to August 14. This course is for students who are entering Grade 8 or Grade 9 in the Halton Board system. The students will examine Ontario and local history from earliest settlement up until 1920. They will also have an opportunity to participate in "hands-on" archaeology. A course fee of \$75 includes classroom and field instruction, field trips and all necessary equipment.

For further information about this course or to register, contact Ms. Cindy Ledwith, Halton Region Museum, 416-878-3232 or the Continuing Education Department, Halton Board of Education, 416-335-3663 during normal business hours.

Sheldon elected

Councillor Pam Sheldon was elected to the Association of Municipalities of Ontario Monday night. Councillor Sheldon will represent the Regional Municipality of Halton as a member-at-large.

Road construction

Halton Region is set to spend over \$1.3 million on reconstruction of Steeles Avenue from just north of the Eighth Line to north of the Ninth Line. The region hired Oakville firm Bot Quebec Limited to do the work Wednesday. Work will include removing the existing bridge to accommodate a wider roadway. That section of Steeles Avenue has been identified as deficient in the region's Road Needs study since 1975. Expected completion date is Oct

16.

Orienteering

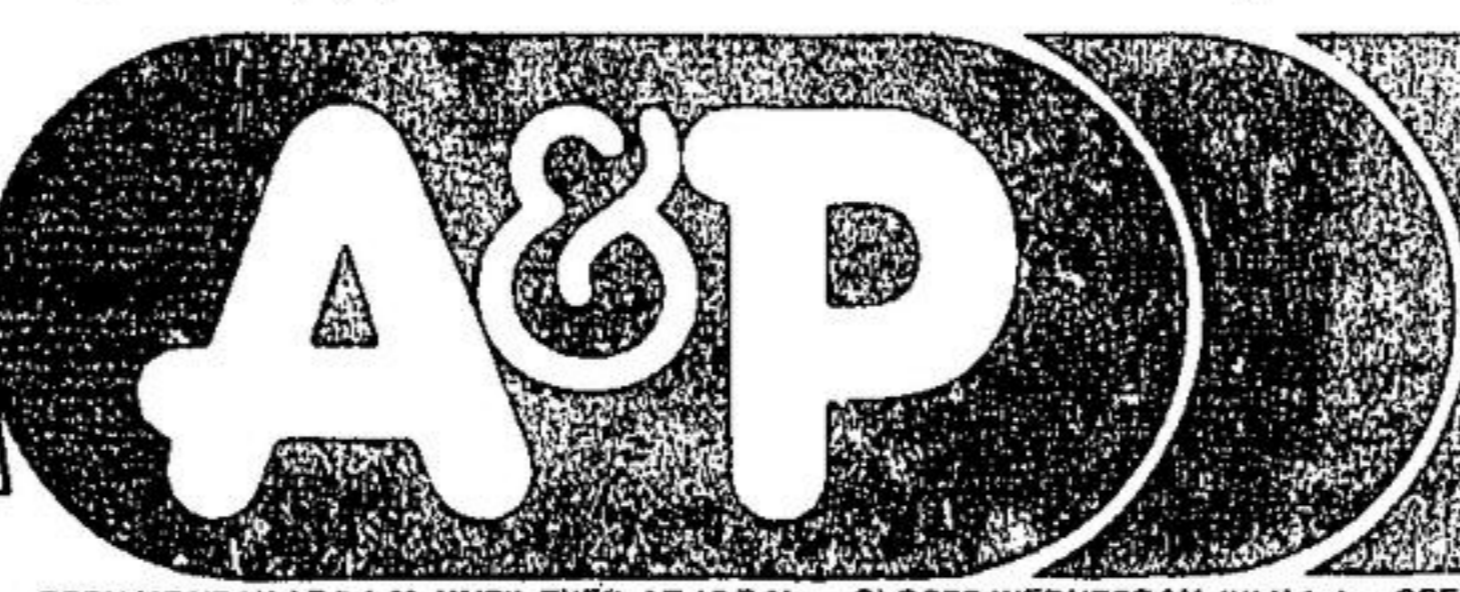

July 2 there will be an orienteering program at 7:30 p.m., Visitor Services Centre, at Terra Cotta's Trivial Pursuit Orienteering Course. This orienteering program is open to everyone, and is free with admission into the area. Call Terra Cotta Conservation Area at 877-9650 for further information. July 4 there will be a "campfire sing-song" from 8 - 9 p.m. at the Visitor Services Centre. All you need is a strong voice. This program is free with admission into the area.

Prices effective thru Saturday, July 4th, 1987. We reserve the right to limit quantities to normal family requirements. Savings shown in this ad based on Metropolitan Toronto A&P regular retail.
