

A feast for the soccer buff

A soccer feast this evening (Wednesday) for all those real enthusiasts. Kick-offs at 7 p.m. feature Meadowglen for Blue vs United; at Christian for Eagles vs Milton; McKenzie for Villa vs Masters and 8:45 at Cedarvale for Ancients vs Villa 'A'. Also at 8:45, at Alcott, there is a Toronto and District cup game between Georgetown Peel County and Lazio, which could be a cracker.

Last Friday I eventually caught up with Peel County at Alcott where they unbelievably defeated a strong Brampton City 3-2 scoring the winner in the dying moments of the game. The county seemed to defend for most of the game and went in at the half two goals up, netting two opportunistic goals. They lost a quick goal after the half and defended desperately at times before losing a soft goal (through the keeper's hands and legs) to tie it all up with 10 minutes to go. A break out and a superbly headed goal sealed the win against the run of play. This was not a game for the fainthearted, what with the vicious tackling and uncouth language. One fan was heard to say "the players thought the ref

was blind and the fans thought he was deaf", yet he did speak to, and book, several players. Very local interest was seen with old Falcon favourites Dave Paterson and Oscar Traynor showing that they belong in the premier section of the T and D league.

This being High School reunion week meant that I came across several former players and their friends around the fields and in 'establishments' around town. John Catling does not wish his name mentioned yet has issued a sprint challenge against anyone, particularly a soccer player, Bryan Turner? Pam Kent tells me her ladies team is performing rather well, having won their last five games after early season losses. CRSC United ladies continue to play well and are having good results. The other Georgetown ladies are not having such a good season at the moment, I understand.

Last week young Bob Lovegrove had his problems in officiating a Georgetown-Brampton ladies match. Lots of physical 'stuff' and lots of mouth were the order of the day. Perhaps a few sending offs were in order in this case or even calling of the game from what is heard of this one. The introduction of points games this early in the season may well be a contributory factor to the behaviour problem. Bob Lovegrove is a one of our more promising officials and found this game hard to control.

Ancient Mariners found the Master Mariners a hard nut to crack in last week's Inter-County league

game, eventually running out 3-2 winners with a late Doug Morris goal, his first this season. Park Avenue Collision and Varian played to a 0-0 tie at Alcott which is a good result for Varian at this stage of the season. Ajax turned the tables on Eagles this week with a 2-1 win at Christian field. Villa 'A' held off some late spirited challenges from Rangers with Colin Lewis netting the two goals for the victory. Lewis almost made it three but one effort was chalked off for offside against a teammate. The other results are not known at this time.

This Sunday at 2 p.m. we may see the start of the under-16 World Cup commencing at Varsity stadium in Toronto with Canada versus Italy. All Peel Halton soccer is closed off for the day and we are looking for massive support for the Canadian team. This is a tremendous opening game for the tourney and will show what we are capable of at this level. Qatar and Egypt follow at 4 p.m. in the same section and these teams are no pushover. Our players will have to be at their best to compete at this level and need our best support.

Final comment...Three of our officials have been given top marks for performance in the Ontario cup following a game at Victoria Park recently, particularly Stu Baines on the line. It was nice to receive an accolade from both team benches and fans at the game. We cannot be that bad, can we?

Final final...Kim LaSalle thinks I am a nice person, the compliment is hereby returned.
See you next week.
