

## A head for soccer

Georgetown and Woodstock faced off in a soccer tournament in all the divisions at Cedarvale Park on the weekend. An exchange format sees the two towns exchange tournament sites each year. ## Mosquitos sweep games

The Georgetown Mosquito Selects Soccer Team came up with a pair of victories on the weekend, taking decisions from visiting Woodstock squads.

For the first time, the Mosquito Selects were bolstered by several players from the younger atom ranks for the matches.

In their first outing, Georgetown came from behind after Woodstock drew first blood, and bounced back for a 2-1 win on a pair of goals by Dione Benito. This proved to be a close struggle throughout on a day that grew increasingly warmer as it progressed.

The temperatures continued to soar and the Saturday afternoon sun took its toll on the Woodstock team as the Georgetown girls laterally ran away with the match in the first half.

Dione Benito scored a pair of markers and Deanna Guignard and Christy Lightowers added singles to give the locals a solid 4-0 lead.

In the second half, Helen Tannock and Melissa Waits each scored to bring the final margin to 6-0.

The Georgetown squad displayed excellent team work throughout their two matches.
