P.O.W.E.R., the Citizen's Group united to fight a private waste management company from establishing a dump in the quarry owned by United Aggregates met Thursday Aug. 13. A lengthy discussion took place on the benefits of recycling. The group feels very strongly that every family should think seriously about sorting their household garbage before putting it out for pick-up. Mr. Will Slaman from Georgetown spoke to the group on his proposal to encourage the establishment of a "Complete Recycling System" as an alternative to landfill. Mr. Slaman has visited the Holland Company in the Netherlands where they recycle domestic garbage which is household and restaurant garbage and compost it into topsoil. Mr. Slaman is awaiting a meeting with Mr. James Bradley Minister of the Environment, Halton Region,

Elsie Bird worked at Sick Kids' Hospital

Funeral services were held recently for Elsie Jean Bird, a long time resident of this community. The Rev. Peter Barrow conducted the service at the J. S. Jones and Son Funeral Home on Trafalgar Road, on Wednesday, July 29, 1987.

During her lifetime Elsie Bird trained as a nurse's assistant in hospital work, and spent several years at the Prince Edward County Hospital at Picton. However, working with children had a special appeal for her and she joined the staff at Toronto Sick Children's Hospital where she worked till she retired.

An avid gardener, Elsie Bird spent many hours working with her roses and lilies, and was rewarded with trophies and prizes on several occasions at competitions and fairs. When ill health forced her to seek full time care she became a resident of Halton Centennial Manor.

She was a faithful member of St. John's United Church, and of Ashgrove Women's Institute. She also enjoyed participating in the activities of the Georgetown Horticultural Society, and working with the Georgetown Fair Board.

Bearers were Gordon Bird, Norman Bird, Edward Bird, Robert Pearson, Philip Sweet, and Lee Whittington. Interment took place at Hillcrest Cemetery, Norval.

Couple returns from three week bus trip

NORVAL - Harold and Isabelle McClure of RR2 Brampton have returned from a three-week bus trip to the west coast. They travelled by way of Detroit and the grain growing states of Iowa, Illinois, and Wyoming as well as seeing fields of corn, sunflowers and canola.

Yellowstone Park was interesting and they enjoyed the

Rocky Mountains and the ferry trip across to Vancouver Island. They returned through Banff, Edmonton and Regina and on across the prairies where they saw the harvest in full swing in Manitoba. They arrived home without any mishap, with the same bus and driver and thought home looked pretty good.
