

Over 20 ride for cancer

The Tenth Annual Motorcycle Ride for Cancer was hampered by rain Aug. 2 but organizers still managed to pull in over \$4,000. Georgetown riders Betty and Peter Bot raised over \$1,500 themselves and the other 19 riders who took part in the ride raised the rest, Betty Bot said. While six riders left from the Georgetown check in point at Bracken's Restaurant on Mountainview Road, only two were from Georgetown, Mrs. Bot said. The rest started from the welland

motorcycle club. The other riders who started the 250 mile ride from Georgetown were from British Columbia, Ajax, Newmarket and Brampton, she said. The Georgetown checkpoint was manned by Keith Perkins. Next year's ride will switch to a ride for "Wish for a Child," Mrs. Bot said. Money raised will be used to fund a wish for a child with cancer or leukemia, Mrs. Bot said.

Globe theatre needs men

Georgetown Globe Productions will present "Kiss Me Kate" at the John Elliott Theatre on November 19-22, 26-29 and December 2-5. This fun musical is about a troupe of actors who stage Shakespeare's "Taming of the Shrew". As is usual this time of year, Globe requires the participation of more men! Why is it that men are so difficult to recruit for musicals? We know that Georgetown gentlemen

attend and support Globe shows - but why won't they get involved? Georgetown is full of talented individuals and what Globe needs is a few of these men to actually be apart of the show! If you are male, enjoy music and acting then Globe would like to hear from you. No experience is necessary, just a desire to have alot of fun! For information, please call Jan at 877-8526.

Two deer killed on local roads

Of the 69 deer killed on Halton roads last year only two were killed in Halton Hills, a regional study says. There were 13 deer killed on Oakville roads, 22 in Milton and 12 died on Burlington's roads. Halton Public Works reports 20 deer killed on Regional roads in 1986. However, the data supplied came from several different sources creating possible overlap

in reports, the study says. Police vehicle accident reports, the Animal Control Division, Public Works staff sheets and the Humane Society are sources used to report deer killed on roads. Halton Staff have decided to use the Police vehicle accident reports only for future counts of dead deer on public roads. In 1986, Halton Regional Police reported 38 deer killed.
