

## Three teams still unbeaten

Three teams remain undefeated following the fourth week of round robin play in the Georgetown Over 30 Ball Hockey League.

In a showdown of two of the league's powerhouse Tuesday, the McGibbon Hawks and the Pontiac Fieros battled to a 4-4 draw.

The Hawks now have a record of three wins and a tie in their four outings, while the Fieros have two wins and two ties to their credit in four games.

The other undefeated club, The Kentners, defeated the Midas Top Guns in another game Tuesday, and like the Hawks, they have a record of three wins, no losses, and a tie.

The other game Tuesday had Dave's Service top Choice Air by a 9-5 margin.

Tuesday night's opener started slowly as both teams seemed a little tentative and sluggish.

Midway through the first period Ray Inglis opened the scoring on a screen shot from the point and the Hawks led 1-0 after one period. Early in the second, Chris Milne scored his first goal of the playoffs after some nifty stickwork and the Fieros caught fire.

Grant Bodnar gave the Fieros a

2-1 lead at the nine minute mark and Stan Larasso made it a two goal spread two minutes later. The McGibbon squad made it a 3-2 game late in the second period with a power play marker. Doug Thompson gave the Fieros a two goal spread early in the third period on a blast from the point but the Hawks came right back as Brian Beaumont jumped the ball home during a goalmouth scramble.

The Hawks pulled their goalie and Brian Beaumont managed to tie the game 4-4 just before the final buzzer.

Game two featured the Kentners, currently battling for first place, against the winless Midas Top Guns. Both teams started slowly as Kentners led 2-1 after one period and took a 4-2 lead after two. Midas closed the gap to 4-3 early in the third on a long shot Guy Lemay, with his second goal of the game reestablished the two goal spread shortly after, with some hard work in close and Don Parker of Kentners opened the lead to 6-3. Jack Pomp scored for Midas with 52 seconds left in the game but it was a case of too little too late as the Kentners won 6-4. Scorers for the Kentners were Guy Lemay (2 goals,

1 assist), Donnie Parker (2 goals, 2 assists), Geoff Parker (1 goal, 1 assist) and Ron Huibers (1 goal). Goal scorers for Midas included Ante Kovacevic, Woody Fabian, Jack Pomp and Randy Weldon.

Dave's Service came out blasting early and often in the evening's final tilt. Goals by Marty Weaven (2), Dave Robinson (2), Gary Boviar, Jim Gilham and Ted Rombough helped give Dave's Service a 7-1 lead after only one period. Dave's outscored Choice Air 2-1 in the second period to take a 9-2 lead after two. Choice Air fought back with three unanswered goals in the third to make the final score 9-5.

## Medals go missing

Two medals, won by a local artistic figure skater destined for the World Championships in New Zealand next month, have gone missing from a display area at The Butcher Shop on Guelph Street.

Kyla Drever, 17, won three gold medals at the Canadian championships held in July in Calgary, and earned the right to compete at the World Championships in Auckland, Oct. 5-10.

In an effort to help Kyla offset the costs of her trip, Tony Walraven, owner of The Butcher Shop, began a campaign whereby \$2 from every box of beef patties sold at the store would go to Kyla. To promote the fund raising effort, a display was set up at the store, which included three medals Kyla had won in competition.

It is believed two of the medals, which appear to have been taken by someone, went missing the week of Aug. 10-15.

"They can't even be shown by whoever took them," Mr. Walraven says. "They're not gold, so there's no monetary value. It's strictly sentimental value for Kyla."

Naturally, it is hoped the medals will be returned by whomever may have taken them.

If someone does have these medals, they can return them by placing them in an envelope and dropping them in the night deposit slot of the Halton Community Credit Union, located next door to The Butcher Shop, at 187 Guelph St.

They may also be dropped through the mail slot in the front door of The Herald Office, any time of the day or night with no questions asked.
