

## Volunteers needed

The Fall Training Course of the North Halton Distress Centre will begin in mid-October. Can you spare four hours per week to answer the telephone? To enable the phone line to be manned 24 hours/day, new volunteers are needed.

The dedicated volunteers answer the phone for information inquiries, befriending, emotional support and crisis intervention. A better awareness and understanding of other people's problems is gained through this volunteer task.

The Training Program teaches skills that are used in everyday living.

If you can find the time to help,

please call the Distress Centre, 877-1211 for more information, and an application form will be sent to you.

## 50th anniversary

They have one daughter Donna Kirk of Toronto, four granddaughters, Debbie and husband William of Palmerston, Dianne Kirk of Toronto, Colleen and husband Fred Fritz of Bramalea and Kelly Pelton also of Bramalea.

There are three great-granddaughters Tara Griffey, Trisha and Ashley Pelton.

victims, corrupts its perpetrators, and blights human progress. Recognition of the oneness of mankind, implemented by appropriate legal measures, must be universally upheld if this problem is to be overcome.

The inordinate disparity between rich and poor, a source of acute suffering, keeps the world in a state of instability, virtually on the brink of war. Few societies have dealt effectively with this situation. The solution calls for the combined application of spiritual, moral and practical approaches. A fresh look at the problem is required, entailing consultation with experts from a wide spectrum of disciplines, devoid of economic and ideological polemics, and involving the people directly affected in the decisions that must urgently be made. It is an issue that is bound up not only with the necessity for eliminating extremes of wealth and poverty but also with those spiritual verities the understanding of which can produce

an ew universal attitude. Fostering such an attitude is itself a major part of the solution.

Unbridled nationalism, as distinguished from a sane and legitimate patriotism, must give way to a wider loyalty, to the love of humanity as a whole. Baha'u'llah's statement is: "The earth is but one country, and mankind its citizens." The concept of world citizenship is a direct result of the contraction of the world into a single neighborhood through scientific advances and of indisputable interdependence of nations. Love of all the world's peoples does not exclude love of one's country. The advantage of the part in a world society is best served by promoting the advantage of the whole. Current international activities in

various fields which nurture mutual affection and a sense of solidarity among peoples need greatly to be increased.

Religious strife, throughout history, has been the cause of innumerable wars and conflicts, a major blight to progress, and is increased.

## Citizens' forum

Dear Sir,  
May I take this opportunity to say 'hi' to Halton Hills, Friends, Neighbours, fellow volunteers and others.

It is difficult to say 'good bye' to all of you in person, that's why I wrote this letter.

I want to thank all of you for the pleasant and friendly atmosphere you created here in Halton Hills and Jack and I will not forget our

Georgetown and the lovely surroundings.

Thanks for the barbecues, potluck dinners, etc. and the gifts, we received. We will for sure show them in our new place in Saanich North - Sidney B.C. and, on top of all this 'Thanks for the Memories', we are able to take with us.

Sincerely,  
Connie Nicushof
