SAGITTARIUS (Nov. 23-Dec. 21) If at all possible, try not to make loans or borrow something of value from friends today. Both situations invite potential complications.

CAPRICORN (Dec. 22-Jan. 19) Trying to juggle several delicate projects at one time could prove disastrous today. You'll have better results if you attempt less, but try to do those things well.

AQUARIUS (Jan. 20-Feb. 19) Proceed cautiously today with a plan that has yet to prove its worth. Be prepared to make revisions if necessary.

PISCES (Feb. 20-March 20) Prudence is a wise policy for you to adhere to over the next few days. Set limits on your spending and don't exceed them.

ARIES (March 21-April 19) Clarify your objectives today. If you don't, you could waste a lot of effort trying to achieve something that will neither further your cause nor advance your personal ambitions.

TAURUS (April 20-May 20) Strive to be discriminating today about whom you go to for favors. Don't make requests of people who aren't in the position to fulfill them.

GEMINI (May 21-June 20) Be optimistic and hopeful, but don't assume that something is the way you want it to be instead of as it actually is.

CANCER (June 21-July 22) You might have to deal with someone today who made promises to you in the past that were not kept. Keep this person's track record in mind.

LEO (July 23-Aug. 22) It will prove unwise today to try to sell associates on something that you don't totally believe in yourself. Be careful about what you market.

Contacts you've developed over the past few years will prove helpful for you in the year ahead, both socially and in the commercial world.

VIRGO (Aug. 23-Sept. 22) Indifference or carelessness could create a situation for you today where you might suffer a loss due to another's ineptness or lack of experience. Major changes are ahead for Virgos in the coming year. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o of this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

LIBRA (Sept. 23-Oct. 23) Make every effort to finish what you start today. If you leave things hanging, hoping you'll get to them later, they are apt to remain undone.

SCORPIO (Oct. 24-Nov. 22) Today's ideas aren't apt to be as ingenious as those you conceived yesterday, especially where your work is concerned. Don't be overawed by your thoughts.

CELEBRITY CIPHER

Celebrity Cipher cryptograms are created from quotations by famous people, past and present. Each letter in the cipher stands for another. Today's clue: I equals O.
