Blue Moons finish high atop GLPL standings

As the Georgetown Ladies Powderpuff Softball League's regular season comes to a close, the Royal Blue Moons are firmly entrenched in first place in the 12-team loop.

The Blue Moons lead the standings with 42 points, six ahead of Leather and Lace with 36. At this point, there remained only one game left in the regular schedule.

Following are summaries of three games played in the league recently.

Grape Nuts 14

Burgundy Bunch 14

A good game by both teams with the Burgundy Bunch coming from behind at 10-1 to tie it up with Grape

For Grape Goldie Cash had some great hits along with quick running to get crucial bases for their team. Doubles came off the bats of Betty Flikkema, Pat Green, and Pauline Cawood. Bonnie Malenfant had a nice catch at 2nd for an out.

For the Bunch Janet Ransom led the way not only by pitching a great game but also hit a double and tapped in two runs. Maureen Reid also had a good night at bat tallying up two RBI's as did Lori Hoffing. Cathy Seaton was strong on the mound in the fourth with three up three down.

Leather and Lace 9

Black Cats 8

Excellent come from behind vic-

tory for Leather and Lace with a super out of the park homer by Andrea Ford. Also hitting well for the Lace was Bev Barrett with a triple, and doubles from Jeannie Brookes, Joanne Hillier and Sharon Psyhk.

The Black Cats gave Pink a good run for their money with a sparkling duo at first of Theresa Hartley and Sue Martin. Laurie Henson provided her team with solid pitching to keep them close. Doubles off the bats of Dan Adams, Debbie Knopfth and Gloria Sinclair.

Turbo Jets 16

Golden Girls 11

Great game by the Turbo Jets as they over powered the Golden Girls

Lorraine Tarzwell was definitely the star of the game executing a perfect triple play. Lorraine then came back to hit a triple and a double. Maria Tassone, Tammy Lockwood and Joanne Richardson also had doubles.

For the Golden Girls June Peacock tried to keep them alive with a double play at second and going three for four at bat including a double. Good hitting from Martha Jack, Wendy Graham, Sandy Robinson and Robin Richardson who all tallied up doubles. Janice Murray

made her debut behind the plate to complete the catching duo.

Museum holds craft fair

Christmas comes early this year as the Ontario Agricultural Museum features the fourth annual Christmas Craft Fair, Sept. 19 and Sunday, Sept. 20, 10 a.m. to 5 p.m.

The Craft Fair, located in the rustic environment of the Museum's Gambrel Barn, boasts over 45 booths of quality goods and crafts. Visitors will have the opportunity to browse and purchase items ranging from quilts, stained glass, pottery, jewellery, folk art and much more.

While at the Craft Fair, take advantage of the fall colours and discover over 30 buildings and displays on the Museum's 32 hectare site.

The Ontario Agricultural Museum is 5 kilometers west of Milton. Take highway 401 exit 320B or 312 north and follow the signs. The Museum is open daily 10 a.m. to 5 p.m. until September 20. Admission is \$3 for adults, students \$1.50, seniors \$1.50 and a family rate of \$7.50. This fee includes admission to the Craft Fair.

Clothing Care Counselling

THINK BEFORE YOUR BUY
Buying new clothes can be exciting, but in all the excitement don't get so absorbed in selecting the right style or in keeping to your budget, that you forget about cleaning.

The time to begin thinking about the care of a garment is before you purchase it. Good care practice begins with the inspection of labels and tags, and asking questions before you buy.

Manufacturers are required to attach labels to garments which supply the information required to safely dryclean or launder the items you buy. Look for this information when you are considering a purchase. The care necessary to keep something clean and attractive may be important in deciding whether or not to buy it in the first place.

Garments which are both washable and drycleanable may be labelled washable with no mention of drycleanability. However, garments labelled washable generally can be drycleaned. Your professional drycleaner will know. Drycleaning is particularly effective in removing greasy, oily, soils and stains which washing fails to do.
