ASTRO-GRAPH

Bernice Bede Osol

CAPRICORN (Dec. 22-Jan. 19) Try to handle important assignments as early in the day as possible. In the afternoon, you are likely to be less effective and determined.

AQUARIUS (Jan. 20-Feb. 18) After you've had time to review a recent happening, you may see that you weren't entirely blameless in a misunderstanding with a loved one. Make amends.

PISCES (Feb. 19-March 20) A collective venture can be carried off successfully today, provided both parties involved make an equal contribution. If they don't, it might fizzle.

ARIES (March 21-April 19) Things will go smoothly today, provided your key word is cooperation. It will be up to you to set the example for others to follow.

TAURUS (April 20-May 20) If you are decorating your personal surroundings today, don't use materials or designs that are more trendy and artistic than they are functional.

GEMINI (May 21-June 20) Be kind to others today, but in a critical situation, don't let your heart rule your head. Do that which is most practical for all concerned.

CANCER (June 21-July 21) A sympathetic friend of yours may not be the wisest one from whom to seek advice today pertaining to a family matter. This person's well-meaning solutions won't help.

LEO (July 22-Aug. 22) Today, it's best to maintain some distance between yourself and people working for you. Establish a cordial employer-employee relationship.

VIRGO (Aug. 23-Sept. 22) If your present budget has accumulated a little surplus, it makes sense to use it to pay off old debts before splurging and buying something new.
