English as 2nd language offered by high school

English as a second language classes for adults are again offered this year at the Georgetown High School as part of the Continuing Education Program with the Halton Board of Education.

Last year students ranging in age from young adult to senior citizen successfully completed this course which improved their competence in the use of the English language. Native languages of the participants included Cantonese, Mandarin, German, Spanish, French, Portuguese and Tamil.

Applications are invited from adults who are either new to Canada and the English language or those who wish to improve their basic understanding of English. Relatives, friends and employers are encouraged to introduce prospective students to this program.

Adults may attend classes on Monday and Wednesday, 7 - 10 p.m., or Tuesday and Thursday, 9 - 11 a.m. There is no fee for this course. Students may register at any time during the school year. Please contact Tom Hewer, at 877-8966 for further information.

Green corn season

Crawford Lake Indian Village and Conservation Centre is presenting the "Green Corn Season" starting Sept. 12 to Nov. 15 on weekends and holidays from 10 a.m. - 4 p.m.

At this time of year, the native people who once lived at Crawford Lake during the 1400's would be harvesting their crops and preparing for the winter months ahead. The staff will be demonstrating these activities throughout the season as well as providing tours of the longhouse. There will also be slide presentations and displays in the Conservation Centre and of course, the boardwalk that surrounds scenic Crawford Lake.

As part of the Green Corn Season, Crawford Lake will be presenting "The Niagara Escarpment in Autumn" - a celebration of this colourful season - on October 10, 11 and 12 from 9 a.m. - 4 p.m. Daily events include porcelain doll making, weaving demonstrations, photography display, watercolour art exhibit, kid's games and wagon rides to the new Niagara Escarpment Lookout overlooking the Nassagaweya Canyon.

On Saturday, there will be demonstrations on spinning, corn husk and apple doll making, plus pottery making. "Fiddle folk" music will keep your toes tapping on Sunday, and the Scotch Block Square Dancers will entertain visitors of all ages from 2 - 4 p.m. on Monday.

The 18th Century Rendezvous will be back on Oct. 17 and 18 from 10 a.m. to 4 p.m. Once again, visitors will learn about life during the 1700's from the Burlington Sportsmen's Society. Members of this group, reenact the life of a fur trader complete with teepees, tomahawks, miniature cannons and bartering for goods.

Study abroad for lifetime of experiences

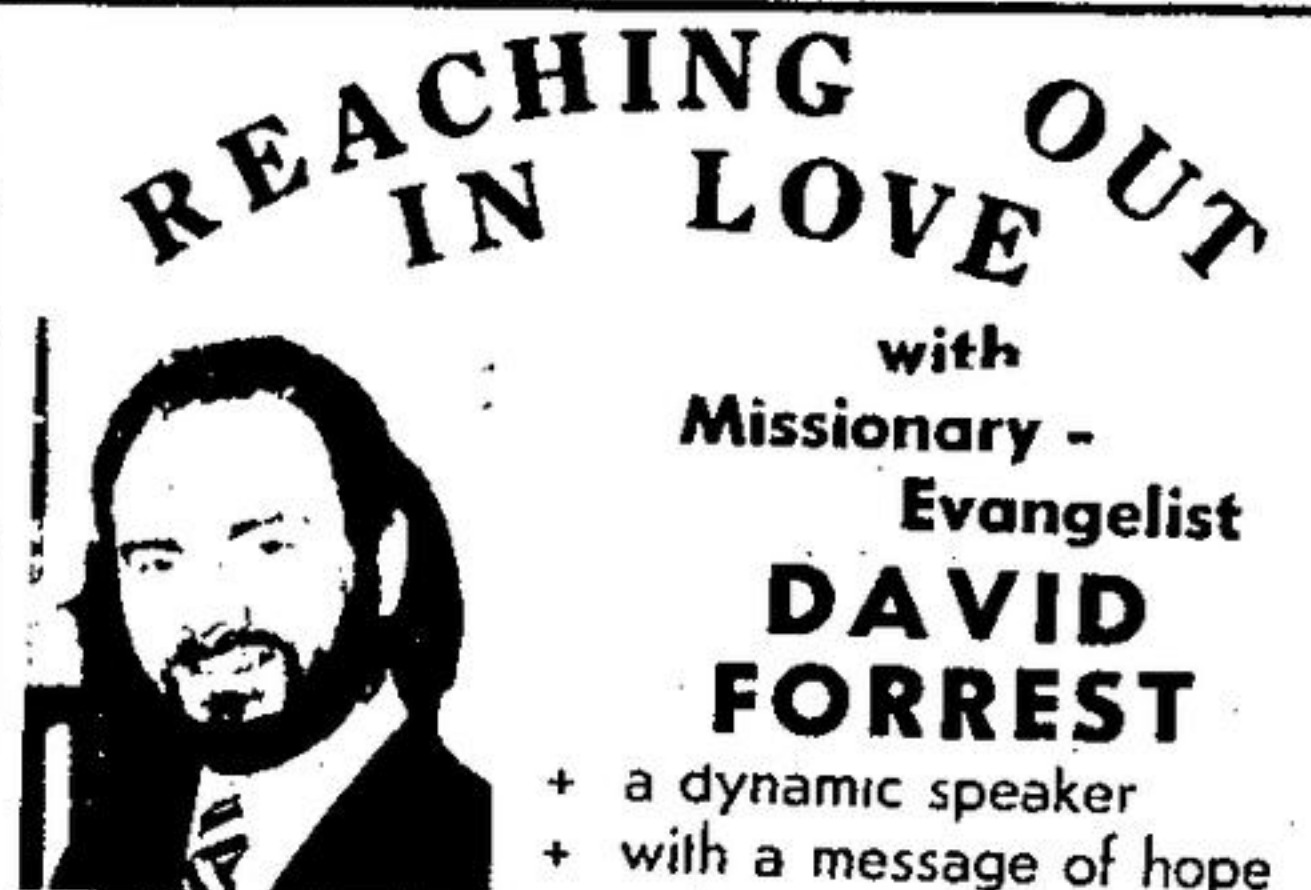

Interculture Canada offers Ontario students, aged between 15 and 18, the exciting chance to study in more than 35 countries around the world.

The participants attend high school abroad, and are hosted by a loving and caring family. Through the exchange of ideas with their new teachers, friends and family, they learn about the life and customs of their host country. They also have the unique opportunity to learn and master another language.

This intercultural experience is a dream come true for the teenager who wishes to acquire a certain maturity, and to expand his personal skills. To achieve self-fulfillment through new activities, to have a sense of belonging among new friends... I am gaining more and more confidence in myself. I find myself doing things I would never have done before!!! I am learning to laugh at my blunders! I am getting more autonomous, and more able to deal with my problems." says Marie-Claude Langlois, a Canadian participant to Barbados in 1986.

Interculture Canada will accept 185 students. The participants will possess, among others, flexibility, self-confidence, open-mindedness, and the ability to meet the various challenges of an intercultural experience.

Students interested in obtaining more information about Interculture Canada programmes may call Maryvonne and Conrad Gonthier, tel: (416) 632-6176, or toll free 1-800-361-7248. Departure is in winter or summer, depending on the choice of country. Final applications must reach the National Office by October 30th for winter departure, and November 30th for summer departure.
