Bernice Bede Osol

Your Birthday

Saturday, Oct. 3, 1987  
There will be a noticeable improvement in your social life in the year ahead. The aspects indicate you'll be involved with a new group who will introduce you to exciting, fun interests.

**LIBRA (Sept. 23-Oct. 23)** The impact and impression you'll make on others today will be favorable and lasting, especially with people who will have the pleasure of meeting you for the first time. Major changes are ahead for Libras in the coming year. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.  
**SCORPIO (Oct. 24-Nov. 22)** Life is like a wheel, and what goes around comes around. Over the next few days, people to whom you've been kind in the past will find ways to reciprocate.  
**SAGITTARIUS (Nov. 23-Dec. 21)** Disengage yourself from straining entanglements so you're free to move around. Your restless spirit requires expression today.  
**CAPRICORN (Dec. 22-Jan. 19)** Your financial prospects look extremely en-

couraging today. If you use your ingenuity, you might be able to make money from things you've never tried before.

**AQUARIUS (Jan. 20-Feb. 19)** You tend to be luckiest at this time with your newest interest. It could prove advantageous to temporarily shelve your other projects and focus on it.

**PISCES (Feb. 20-March 20)** You won't lack ambition, initiative or drive today; yet others will do more for you today than you'll do for yourself.

**ARIES (March 21-April 19)** Even if there are unexpected disruptions in your social plans, don't let them upset you. Today you'll enjoy yourself whatever you do and whomever you're with.  
**TAURUS (April 20-May 20)** An achievement that was denied you earlier in the week will not be denied you today. You have now added both luck and ingenuity to your repertoire.

**GEMINI (May 21-June 20)** Something for which you're hoping in the future is actually much closer than you realize. Today you might find ways to shorten your timetable.

**CANCER (June 21-July 22)** There is a possibility that you might uncover a rather large commercial opportunity today. Lady Luck will be a very strong factor in this particular situation.

**LEO (July 23-Aug. 22)** Teamwork yields rewards today that can't be acquired by individual effort. In union there is both strength and profit.

**VIRGO (Aug. 23-Sept. 22)** You are still in an excellent trend for material accumulation or adding to your resources. Continue to capitalize on propitious developments.
