Legion dart league results

by ALEX TOUGH
 The Georgetown Industrial Darts League consists of 16 teams each being able to play from a maximum of nine players, including the captain. Several teams favour less than the maximum number of players - ranging from four upwards. The match play consists of nine games of 501, played by three players from each team, with at least one player being changed each successive game.

The team receives one point for each game won. The games begin and end with a double.

The team with the most points at the end of the season is declared the division champion for league play. The play offs commence in a round robin set with a similar points system. There are two divisions, with promotion and relegation at the end of the season.

Results from last week are: First Division: Exports 4 - Golden Flights 5; Westenders 8 - Firemen 1; Panthers 5 - Independents 4; Hustlers 6 - Ensigns 3. Second Division: Snowjacks 4 - Bulldogs 5; Taxmen 7 - Aces 2; Inter County Sports Trophy 4 - Eliminators 5; High Rollers 6 - Bandits 3.

The Exports - Golden Flights match-up was a seesaw battle from front to last with the Flights taking the last two in a row for the win. Top scorers were George Gaskill (136), and Tim Fields (140). Al Murphy recorded a high start of 92 and a high finish of 63. Brian Hicks kicked in the first game with 112.

Snowjacks, second division front runners, ran into a storm when the Bulldogs bit for a 5-1 lead before the leaders came back to 4-5.

Dave Robinson and Jay Bishop threw 140 and 138, respectively in Bulldogs' efforts, which were not expected against the Snowjacks.

In the Firemen's losing, Marty hit a 125 and the Firemen already look doomed to the second division unless they pull together.

The Independents lost the last three games in going down 4-5 to the Panthers. Nevertheless Jim Franks opened with a 90 and Peter Buckley finished with a high 140.

Champions Hustlers are coming in to their own after a slow start. A 6-3 win over Ensigns shows their resilience. Mind you, according to the team record the high finish is a two by Beau Beaumont!

Bruce Hope of the Bandits, had a high finish of 103 in a losing series with High Rollers. Rollers' Mark Farrimond began with 96 and Tony Kanydumjian finished with 79.

That's it for this week.

Volleyball teams needed

The South Western Ontario Ladies Volleyball Association, is accepting applications from teams for the upcoming season. The league promotes competitive play within a recreational format.

SOWOLVA is open to teams from Oakville to Hamilton and the surrounding areas. Players must be 18 years and over and cannot be attending a High School or playing for an OVA team.

All teams are required to have a facility available for home games on a weeknight. Teams would be responsible for ref fees averaging \$17-20/match. All matches will be conducted under OVA rules.

The calibre, on average, is OVA "B" level play. All interested parties are welcome.

For more information, please contact: Andy Nicholson - H. 661-1318 - W. 896-4922 or Jim Ryce - H. 387-5604, before Oct. 12.
