informal living area. Back to back fireplaces serve the family room and living room for cozy cold weather gatherings.

A roomy U-shaped kitchen with cooking island is brightened with natural light from the large bay window over the sink and easily serves the adjoining dinette and sunken family room. A secondary access from the double car garage opens to a main floor laundry/utility room and convenient three piece powder room.

*Dramatic Foyer with Sweeping Staircase*

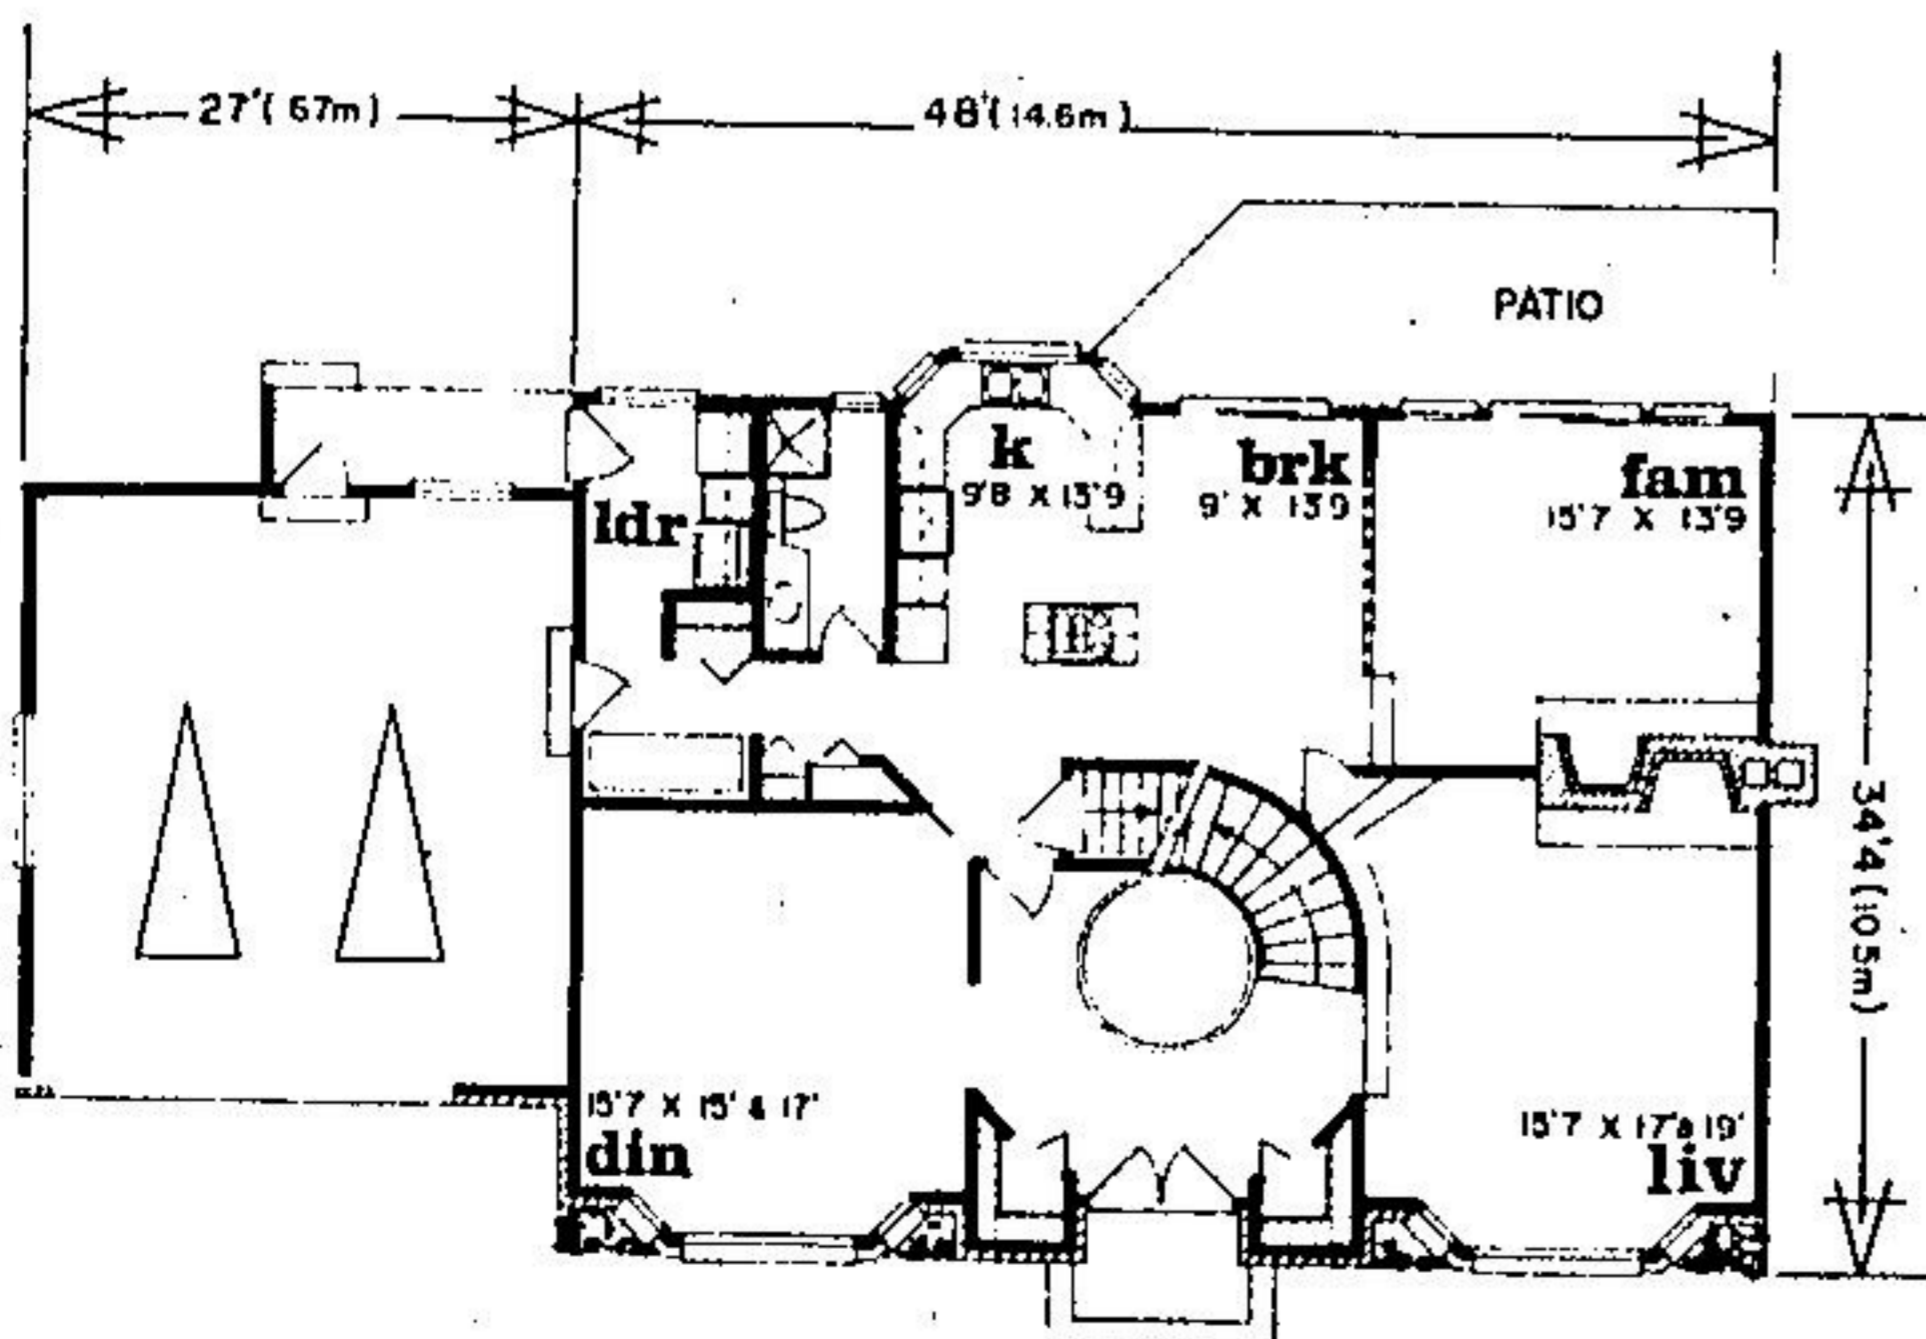

Classic brick accents, decorative wood batts and diamond paned windows combine to create an imposing exterior for this stately tudor style home. The well planned interior provides finished living space of 2,926 square feet on two levels, with a full basement for future development.

The main entry opens to a grand foyer, dominated by a sweeping curved staircase with circular planter or fountain, according to individual preference. The spacious formal dining room and sunken living room flanking the foyer are ideally situated away from the

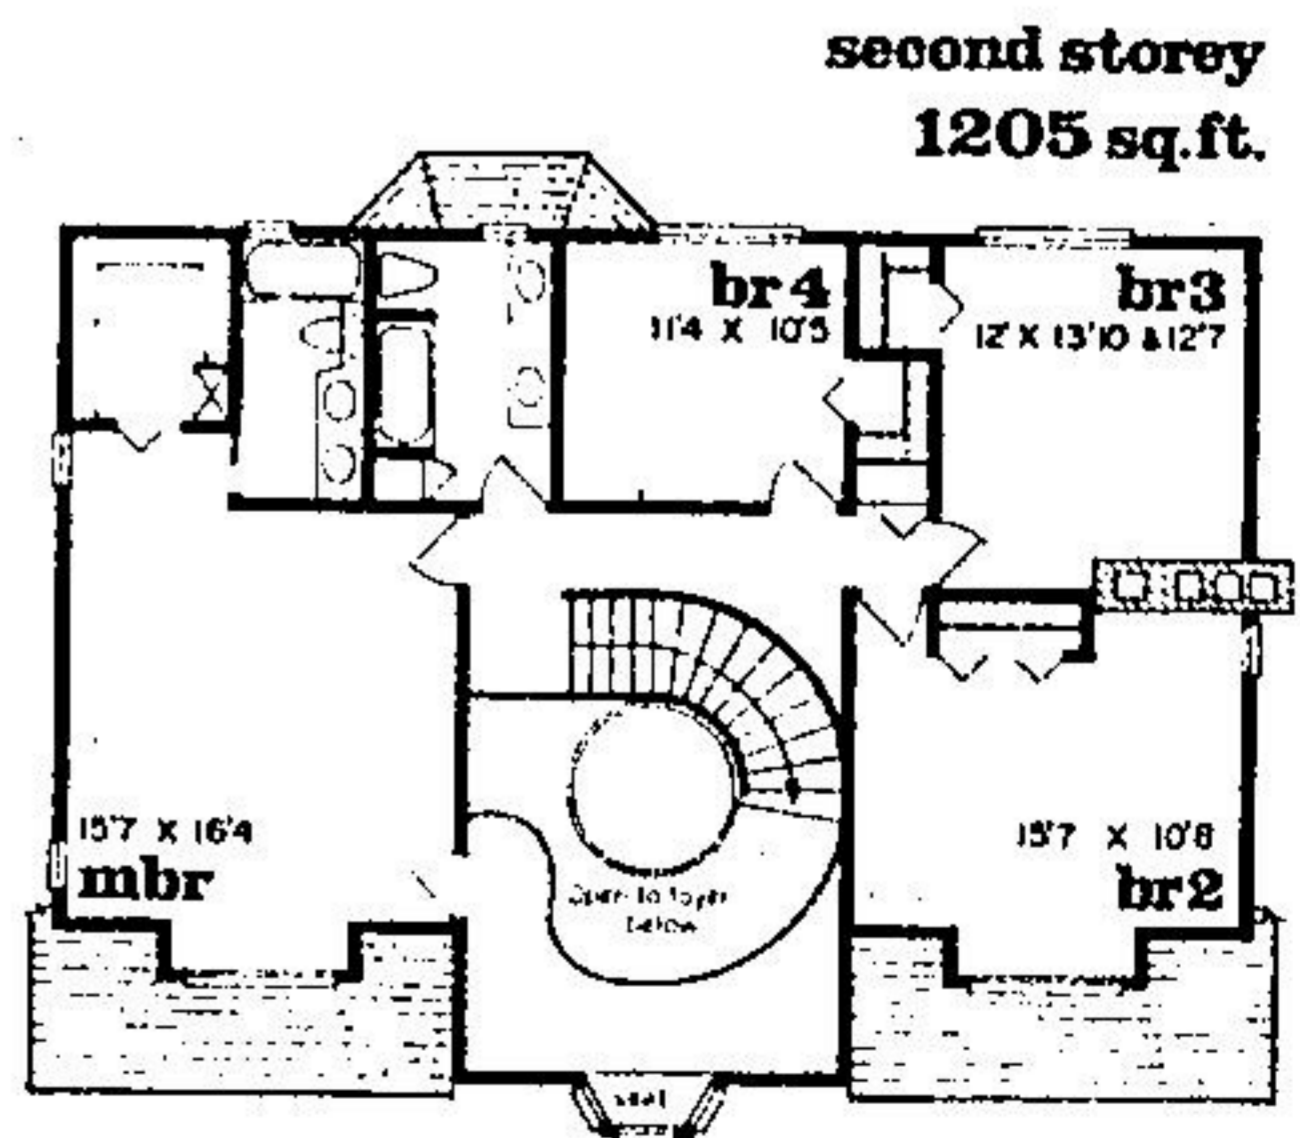

Upstairs, the master bedroom suite features a large walk-in wardrobe, ensuite with soaking tub and twin vanity. Access to the railed gallery with front view window seat above the foyer is also provided from this area. The three additional bedrooms, each with roomy closets share a main bathroom with twin vanity and tub.
