Major Peewees find the going is tough in opening games

The Georgetown Major Pee wee AA rep hockey team began its regular season play for 1987 with a pair of disappointing losses at the hands of Stoney Creek and Chinguacousy.

In the game at Stoney Creek, the locals dropped a 7-3 decision in a tough-hitting, fast paced contest.

After spotting Stoney Creek a 6-0 lead, Georgetown fought back with three straight goals, two by Shaun Curry and the other by Chris Barrow. Tim Presswood, Dustin Farrow, and Brent Couling added assists on the Georgetown markers.

In net for Georgetown were Marc St. Pierre and Tommy Diardichuk, who made several outstanding saves to keep the team in the contest.

In their home opener against Chinguacousy, the locals lost a hard-hitting, close checking contest to the visitors 3-2.

Georgetown spotted the visitors leads of 2-0 and 3-1 in the game, which saw a total of 44 minutes in penalties called.

The prettiest goal of the night came off the stick of Ken Kosziwka with just 37 seconds left to play, but that was as close as Georgetown would come.

Barrow scored the opening goal for Georgetown, assisted by Jeff Pettigrew.

Presswood and Curry drew assists on the Kosziwka goal.

The team's next home game is scheduled for this Sunday when they host Streetsville.

The Georgetown Gemini will have to be in top form this Friday when they tangle with the Central Jr. B. Hockey League's East Division leading Barrie Colts. One of the keys to any success they have against the

Colts may rest with veteran goaltender Dan Halliburton, seen here stopping a Richmond Hill attacker in a game last week. Game time for the match-up with the Colts is 8 p.m. at the Gordon Alcott Arena.

Clinics slated for this month

There is still time to register with the Halton Hills Department of Recreation and Parks for the upcoming Hockey Coaching and Trainers' Clinic.

mediately.

Dress up

Youngsters can join the Halton Hills Department of Recreation and Parks for a haunting good time at the Acton Indoor Pool, Saturday, Oct. 24, from 2-4 p.m.

There will also be a prize for the best Halloween bathing suit. Participants are asked to use items that will not pollute the pool when putting together their outfits.

It was by no coincidence that the Summer of 1987, as one of the sunniest on record, was also one of the busiest for Town of Halton Hills Parks Staff.

In addition to performing regular parks maintenance duties, the department was able to implement various park facility improvements at the following locations: Prospect Park, Alcott Park, Hornby Park, Joseph Gibbons Park, Calvert Dale Park, John Street Park, Remembrance Park and Elizabeth Drive Park.

Department staff who are now preparing to close our parks are appreciative of the public's cooperation in keeping our Parks and Natural Open Space Areas free from litter.

Thanks again for all your help and support!

Open house

Plans are underway to organize Community Open House in the Fall

of 1988, where recreation and leisure organizations, as well as community service groups will have an opportunity to display for the community what their organization has to offer.

There will also be demonstrations and entertainment throughout the day.

Workshops are also being offered that will provide assistance to volunteer organizations in the community.

Similar Open Houses were held in 1984 and 1986 in Georgetown and were a great success.

The 1988 Open House will take place in Acton at the Acton High School.

There will be an organizational meeting Oct. 28, 7:30 p.m. at the Acton Library.

If you would like to volunteer in any way, your assistance and attendance at this meeting would be greatly appreciated.

Anyone unable to attend the meeting on Oct. 28, who would like to help out, should call Jeff Bitton at 877-5185, ext. 262.

Hope to see you there!
