Title: Hamsters, Gerbils, Rabbits, Mice and Guinea Pigs
Author: Marilyn Stonefield

I liked the book because it can help you with your hamsters, gerbils, rabbits, mice and guinea pigs. You can have more fun with your pet if you know how to make it a cage or a gerbilarium. The book also tells you what to feed them. The book is very helpful with your pet.

Title: Scrubs on Skates
Author: Scott Young

If you like sports you should read Scrubs on Skates. It is about a sixteen year old boy who has to change schools. He begins to play on the new school's team. He leaves all his memories and friends behind. It shows how hard it is to leave school and how to meet others and live in new places. The story tells how he deals with it and his difficulties in doing so. It's about growing up.

Title: The Ghosts of Cougar Island
Author: Peggy Parish

I really enjoyed this book because it was a mystery and adventure story. It's a story about three children who go to visit grandparents on Pirate Island. They discover their grandpa's hideout. The next day they find a hole in the bush that hides the hideout. Next door to them someone complains about some food missing. They go to Cougar Island and set off some sort of alarm. They camp out and find three other children. Their next door neighbour adopts the children who have been living on the island since they ran away from their foster parents. The six children become great friends.
