## ASTRO-GRAPH

Bernice Bede Osol

### Your Birthday

Conditions in general should be better for you than they have been for some time, but you mustn't coast and let valuable opportunities pass you by. Be productive.

**SCORPIO** (Oct. 24-Nov. 22) Friends will not find you an enjoyable person to be around today if you behave like a know-it-all. It's better to understate your views than to overstate them. Get a jump on life by understanding the influences governing you in the year ahead. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

**SAGITTARIUS** (Nov. 23-Dec. 21) Be extremely careful how you treat the possessions of others today. For example, don't loan something to someone else that was loaned to you.

**CAPRICORN** (Dec. 22-Jan. 19) Your judgment could be questionable in evaluating critical career questions today. Don't view them as being more beneficial than they actually are.

**AQUARIUS** (Jan. 20-Feb. 18) Don't attempt a difficult project today if the co-workers you have at your disposal are as inexperienced as you are. Wait until you have competent help.

**PISCES** (Feb. 20-March 20) Manage your resources with prudence today. Don't dip into your cash reserves just to cater to a passing, extravagant whim. Save your nest egg for a rainy day.

**ARIES** (March 21-April 19) Neither you nor your mate should try to pressure the other into complying with his or her wishes today. Agreements reached won't be acknowledged for very long.

**TAURUS** (April 20-May 20) You're apt to be a slow starter today, and do more talking than producing. Also, avoid indifferent companions, because they'll only slow you down more.

**GEMINI** (May 21-June 20) Conserve your physical, emotional and financial resources today. There are strong indications that you might deplete your supply in each area.

**CANCER** (June 21-July 22) It will prove counterproductive to influence associates with flattery or bribes today. You'll only gain their allegiance by using a straightforward approach.

**LEO** (July 23-Aug. 22) See things as they are today and evaluate situations realistically. Use your logic instead of depending upon hopes, hunches or instincts.

**VIRGO** (Aug. 23-Sept. 22) From time to time you tend to be overly generous with the undeserving and later suffer regrets. Today you might repeat this pattern.

**LIBRA** (Sept. 23-Oct. 23) You'll only be hurting yourself if you are lethargic today. Don't let something opportune pass you by because you're too indifferent to pursue it.

### CELEBRITY CIPHER
