ASTRO-GRAPH

Bernice Bede Osol

Your Birthday

In the year ahead you will become involved in a new project or venture that has potential, but only if you have the right type of people in it with you.

SAGITTARIUS (Nov. 23-Dec. 21) There's a possibility that you might repeat a procedure today that previously created a lot of complications. If you do, you'll have only yourself to blame for the results. Major changes are ahead for Sagittarians in the coming year. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

CAPRICORN (Dec. 22-Jan. 19) Be extremely careful to whom you delegate authority today. If you make a poor choice, this person could do something in your name that may make you look bad.

AQUARIUS (Jan. 20-Feb. 18) Don't make a major judgment impulsively today. Your decisions will have a direct effect on an associate who is not present.

PISCES (Feb. 20-March 20) Be sure at this time that you are keeping pace with the responsibilities your boss has given you. If you fall behind, there could be problems on the horizon.

ARIES (March 21-April 19) If you hope to keep your budget intact today, you are going to have to make a concerted effort to subdue extravagant tendencies. Shop around until you find the best bargain.

TAURUS (April 20-May 20) It will prove unwise at this time to keep postponing a domestic issue of importance that needs attending to now. Beard the lion in his den.

GEMINI (May 21-June 20) Don't try to overpower associates or companions with your ideas today. If they're not buying, pressuring them will serve to change their minds.

CANCER (June 21-July 22) Work with funds that you already have tucked away in your bank account. Don't spend extravagantly in hopes you'll be able to cover it later.

LEO (July 23-Aug. 22) You may change course too often today to satisfy the demands of others. Unfortunately, neither you nor they are likely to be pleased.

VIRGO (Aug. 23-Sept. 22) You could be the source of your own undoing today if you operate in an impulsive, erratic manner. Think ahead and plan your steps carefully.

LIBRA (Sept. 23-Oct. 23) Try not to involve yourself in activities today that are beyond your reach financially. Remember - the piper eventually must be paid.

SCORPIO (Oct. 24-Nov. 22) Keep your assertiveness in check today if you want others to cooperate with aims that are important to you. They'll desert your cause if you are too demanding.
