

Lane sets standard

A record setting mark to beat was set for this season in five-pin by a veteran bowler at Georgetown Bowl.

On Monday, Nov. 30, in the Men's League, Bill Lane started his pace-setting achievement at 9:15 p.m. with a 1027 triple.

In the first game, eight consecutive strikes and two spares only gave him a 377 score, but it had bowlers talking and congratulations flowing.

This spurred Lane on to ten consecutive strikes for a second game total of 425. This gave him an 802 double, a score that most bowlers strive to reach in three games.

However, in the third game the pressure showed when Lane failed to spare corner pins and chop-offs prevented the stringing of black marks thus limiting the score to a respectable 225.

Never-the-less, the three game total of 1027 for Bill Lane may not be broken for some time to come.

Water Babes

A number of youngsters took part in the Annual Christmas Water Show held Saturday at the Georgetown Indoor Pool. The show included demonstrations by children involved with the swimming program, as well as a visit from Santa. Seen here, working on their backstroke are Amanda Gooderham (left), and Diane Humberstone, under the watchful eye of supervisor Kerry Lewis. (Herald photo)

Novice report

Player of the Week:
Kyle Hancock (Kinsmen)
5 goals, 1 assist

Goalie of the Week:
Collin Buckton (Halton Hills Tire)

The Kinsmen squad defeated M and M Pro Sports Tyke Selects 6-2 in Novice house league hockey action Saturday.

The Pro Sports team turned in a good effort, going into the game with two previous back-to-back wins.

But they were unable to contain the Kinsmen's No. 7, Kyle Hancock, who exploded for five goals in the third period.

Kinsmen goalie Scott Herbert also played well, stopping several breakaways and covering up in scrambles.

Trevor Loucks worked hard on the ice, and repelled with both goals for M and M.

In the other Novice house league match-up, Tim Horton's held on to edge Halton Hills Tire 3-2 in a close, exciting hockey game.

With the score tied at two, Tim Horton's put the pressure on and it paid off in the dying minutes as Darin Finlayson netted the winner with only three seconds showing on the clock.

Collin Buckton of Halton Hills Tire, who was chosen Goalie of the Week, made several outstanding saves before the winning goal slipped by him as time expired.

Tim Horton's Trevor Crane also had a good game, scoring twice and assisting on the winning marker.

Don't stop thinking about soccer, just yet

This is not an end of the year appreciation note, as is common at this time. It is merely a gentle reminder that work of organizing goes on through the winter months for quite a few of us.

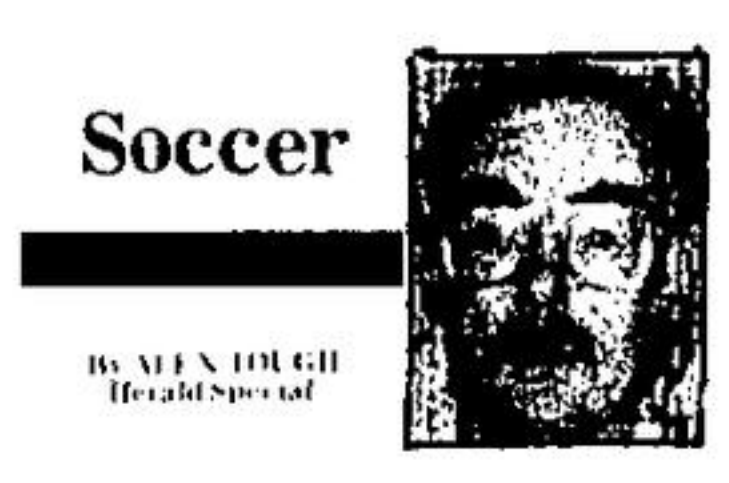

Peel Halton Soccer Association, Peel Halton Soccer League, Inter County Recreational Soccer League and Georgetown Soccer Club have all had their Annual General Meetings recently.

At District Association level Klaus Zander, Bryan Turner and I are again of the executive committee to continue our work there. Matters must have run pretty smoothly in 1987, as there were no amendments to the constitution from the member clubs.

The PII league went reasonably well with one pointer for the future. This past season saw the return of teams from the west, London, Kitchener, Guelph and Salford. Should

the west clubs wish to continue, this places the league in a position to become an inter-district league which would be a direct lead in to the Toronto and District league's premier division, itself a future possible stepping stone to the Canadian Soccer League. A league meeting on this subject possibility may be held on Tuesday, Dec. 8. Obviously over the next month or so some important decisions will be made.

The Inter County League again has yours truly, Bryan Turner and Julia Smedema at the helm with Malcolm Evans in support at the moment. The major spotlight will come in the spring when the league attempts to fill the rest of the committee positions. Another major spotlight will come with a proposed radical change to the league organization. Controversy has occurred in the past few years over

two teams from the same club playing in the same division due to the system of promotion and relegation. The latest proposal will dispense with the problems caused by movement between the divisions by making both divisions equal and keeping two team clubs apart.

The soccer club has Dave Maloney, president; George Baines, vice-president and coach; Harry Mathews, equipment; Phyl Harrison, secretary; Stu Cary, treasurer; Geoff Sketcher, registrar; and Paul Stubbs as members of the executive following their recent AGM. Although some members feel that mini-soccer is not desirable a number are equally strong in their support. This is one of the matters for winter discussion. (By 1989 there will be no 11-a-side for under 10s as a policy handed down by the CSA).

The club's policy of attempting to balance out house league teams was by and large successful, with one exception standing out. It was felt that winter gym times were not used often enough and attempts will be made to attract more coaches and players out.

The usual shortages of personnel was experienced with a slightly lower registration. The amalgamation of youth and senior will be continued with the addition of Peel County into the club.

County did not fare too well in league play during the season. The adoption of County's Ray Ellis into the club executive and George Baines onto County's committee is a move designed to speed the process and solidify the amalgamation.

Another major problem lies in the numbers of referees available and there was agreement to continue with the joint program with the small referee group under Luc Bertrand's leadership. It is believed that this is a worthwhile way to increase the numbers and quality. Teams and their coaches and managers will continue to be monitored as to their attitude and conduct towards the younger officials.

All in all the AGMs reflect the overall, continued, optimism of the various groups in the game and its proponents at all levels.

Maltby duo claims darts title

As intimated last week we broke off for the team doubles tournament and as predicted we had some good matches and results. Also was said that on the night different players can be hot and so it proved to be.

Championship winners are John and Earl Maltby, a family team, who won 2-0 over the unlikely pairing of Ron Duval and Terry Kouyoumjian. The Maltbys defeated the teams of Brendan Byrne/Ron Scarlett, Joe Cairns/Danny Fraser and in the semi-final Brian Beaumont/Ged Williams to reach the final.

Duval/Kouyoumjian defeated Laurie Hopkins/Russ Daigle, Ken Baker/Ken Reid, Ray Ackroyd/Sid Clark and in the semi-final Luke Heikamp/Jim Carter to reach the final.

Both pairings played well and the more experienced Maltbys came through with the finishes to take the championship proper, rather easily and Earl Maltby's 97, two-dart finish was excellent.

Jim Carter had a couple of high finishes, 104 and 112 in his efforts. Ged Williams had a finish of 117 and Derek Hardcastle had a high start of 152. Gerry Wallace had the maximum of 180, the only one recorded on the night and played at the top of his form all through his matches.

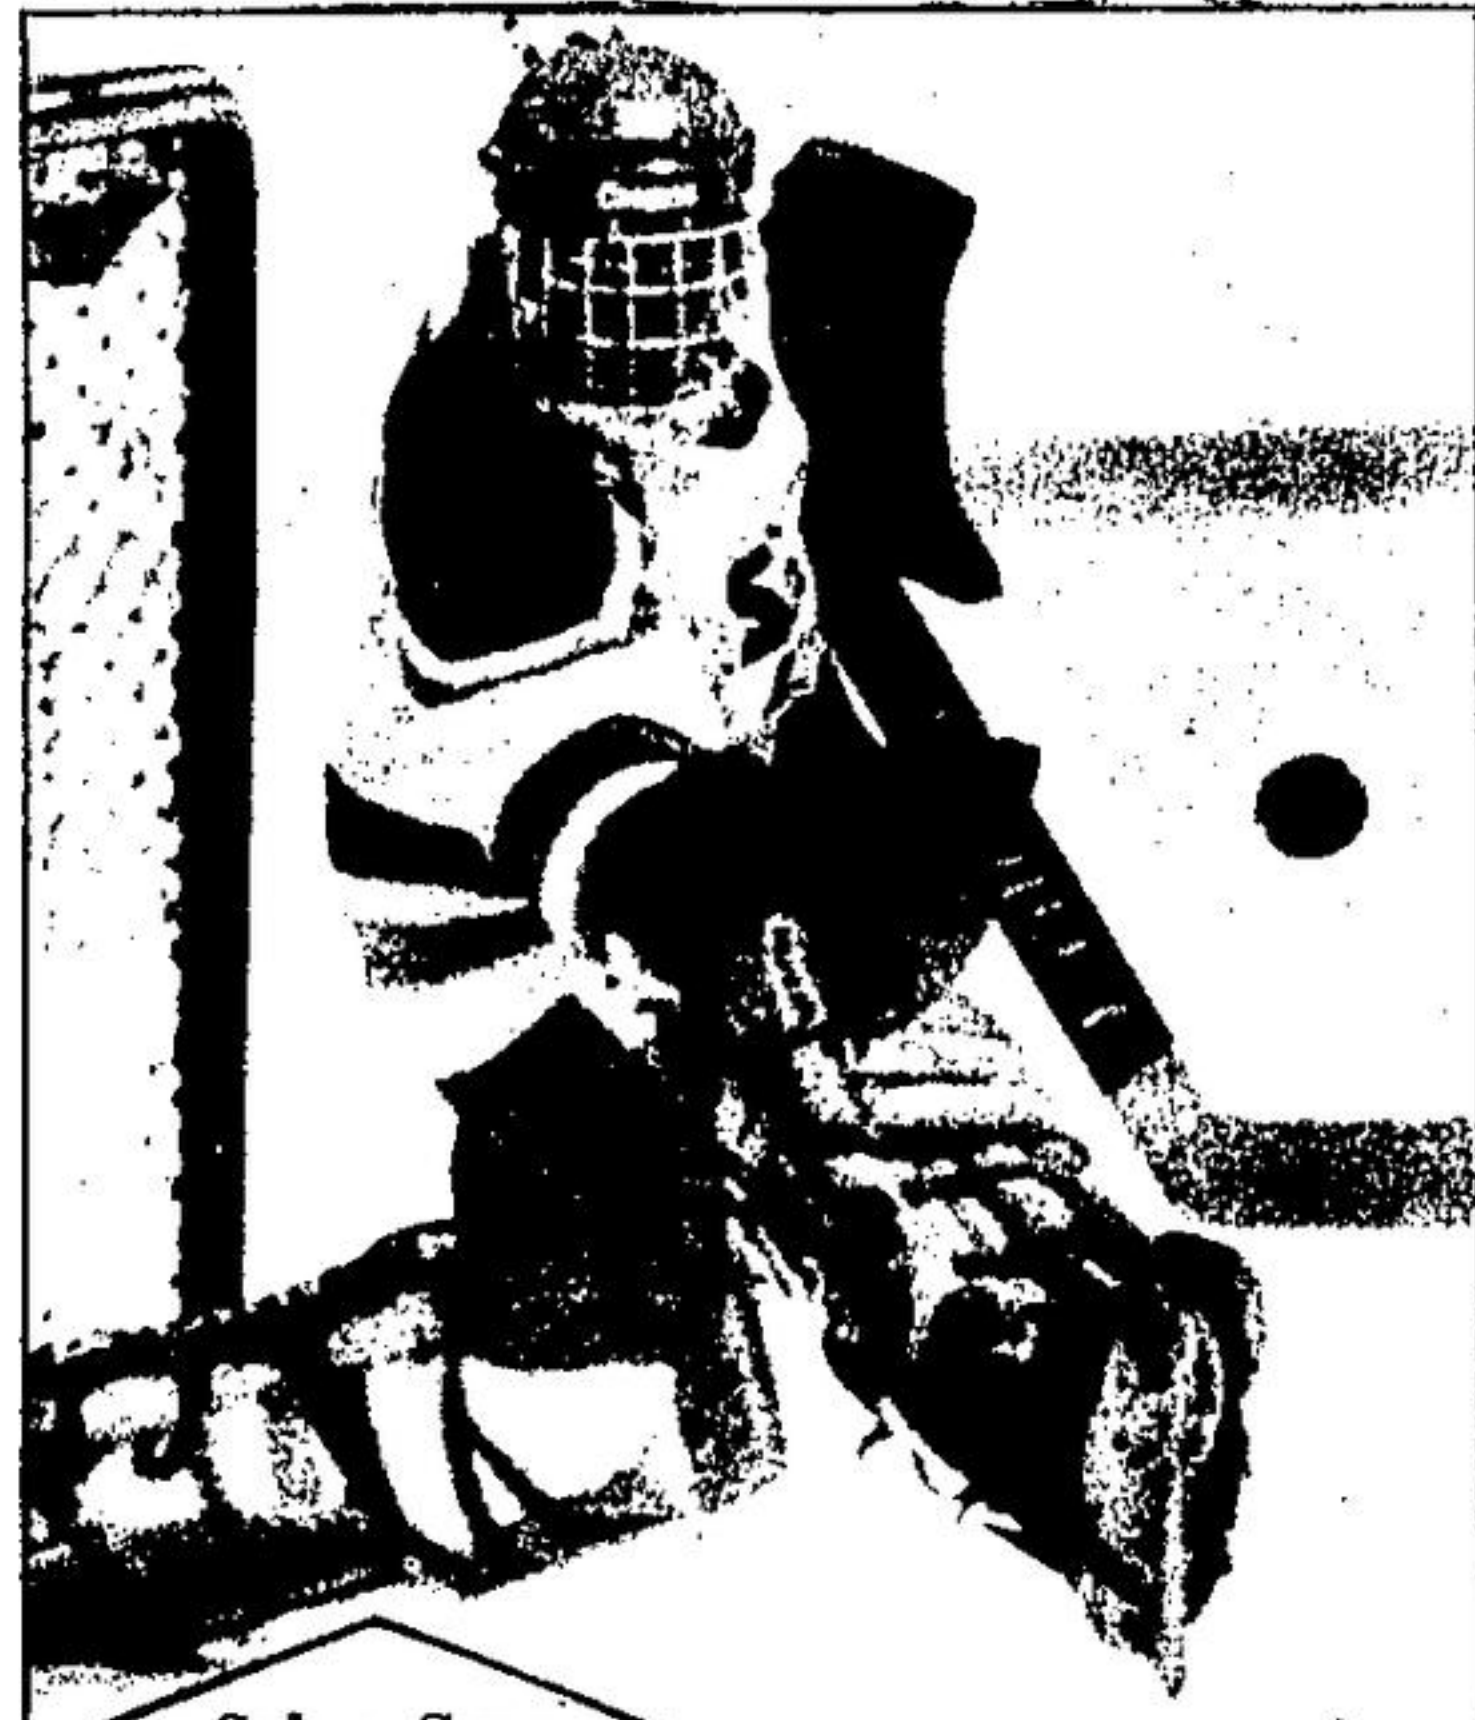

In the end, as often happens, the excitement came in the consolation rounds where John Burke and Dave Tomlinson won out over Ken Baker and Ken Reid by 2-1 well after midnight. A feature of this match was

Reid opening all three final games for one team and Burke likewise for the other team. Losing semi-finalists were the combinations of Dennis Thorogood/Jack Hamilton, a fancied pairing for both rounds, and Grant Richardson/Mike Pepper, no mean team themselves.

It is back to league play for another few weeks before the next competition on Jan. 6.

First Division Hustlers will be looking to consolidate their lead at the top over middle of the table Exports. Second place Golden Flights will expect to win over Ensigns, although this could be close. Westenders, in third place, will look to win enough over Panthers to remain in the top half. The two bottom teams, Firrmen and Independents will battle it out with the Independents favorites for the victory.

In the Second Division the match between Snajaks and High Rollers, joint leaders of the division is the match of the evening, the winners moving into sole possession of first place. Third place Bulldogs should advance at the expense of bottom 'dogs' Bandits. Eliminator meet Aces in a middle of the table clash. Rounding off the match ups are the opposition of Taxmen and Inter County.

Sabre Save

Tom Hills of the Acton Sabres was kept hopping in the second period of a Junior C game against the Allison Hornets Saturday night in Acton. The Sabres squandered a 2-0 lead and had to salvage a 5-5 tie with the Hornets. (Herald photo)
