

# 'I have been a good girl'

Con't from Pg. 4

Dear Santa,  
I have been a good girl throughout the year. I hope you come to my house on Christmas Eve. I want a My Child Loving Baby for Christmas. I hope your presents for the children are coming along.  
Yours sincerely,  
Trisha

Dear Santa,  
How are you feeling? I just cannot wait until Christmas. Christmas is a time when people hang holly and mistle toe. There is no word to describe Christmas' divine beauty. For Christmas I would like the animator.  
Yours truly,  
Dawn Ladds

Dear Santa,  
I'm going to have two Christmases, one with my mom and one with my dad. All I want for Christmas is a G.T. and a binder. I don't have my Christmas tree up yet. Ho. I want an ALF doll too. My brother wants a G.T. too. He wants a teddy bear too.  
Yours truly,  
Adam A. Chiasson

Dear Santa,  
How are you feeling? Well I tell you I'm feeling great! Are you ready to go on the long journey around the world? I hope you dress warmly enough, because it's going to be a cold one. Would it be possible for you to bring me a few things? Like a nice beautiful, fluffy and squeezable teddy bear. Something I'd love to wear is a pair of acid washed jeans, also a remote control car and last but not least a clock radio because I always look in the guest room to see what time it is. Please! I've been a good girl.

Yours truly,  
Stephanie Sage

Dear Santa,  
I would like a turbo hopper with a rechargeable battery. There will be a set milk and cookies. I am going to have a nice dinner. Thank you.  
Yours truly,  
Randy

Dear Santa,  
Hi, I want this Christmas to be the best ever. My mom and I are going to make Christmas cookies in case someone would like Christmas cookies when they come for Christmas dinner. Almost every Christmas we have a great big turkey and the rest of those great servings as well. I bet you have a great big dinner to feed all of your elves and you. Santa! I would like for Christmas a cute little My Child if you please. My mom said if I'm good I might be able to get one from you, a pound puppy Barkey. There's one more thing, a Cabbage Patch Walk With Me Doll walker if you can. I all ready wrote you a letter but that's ok. Well see you at Christmas!  
Yours truly,  
Crystal

so many, but I've read all your requests and I'll do my best.

I hope Andrew enjoys his first Christmas in Georgetown and that Karen Hannah will be surprised as she asked me to do. Curtis will have a nice time in Disney World I'm sure. Write and tell the elves all about it. They've always wanted to go. Thank you for your beautiful drawings Stephanie. One day perhaps you will grow up to be an artist. I hope your sore throat gets better Dietrich, especially before Christmas comes.

Anyways, have a Merry Christmas my lovely children. See you Dec. 25!

Love you all,  
Santa Claus

It must be spring in the Northwest Territories. According to the final 1986 Census of Population counts, it is a time for growth. The growth rate for the Northwest Territories between 1981 and 1986, was just over 14 per cent double that of the 1976-1981 period.
