 Richard Gustin 21 (7)

## Major atoms split

The North Halton Sports Major Atom "AA" hockey team recorded a win and a loss during the week's action by identical scores of 6-5.

In Milton on Thursday night the Major Atoms tackled their Tri-County rivals in a game that surprisingly did not produce the usual crisp, well played hockey so typical of past contests. What was typical however, was the score as the two teams traded goals throughout, with neither being able to generate a two goal advantage. Unfortunately for Georgetown, the last goal was scored by Milton with little more than two minutes remaining to capture the victory.

Doug Sheppard scored two North Halton Sports goals, while Blaine McCauley, David Bouskill and Brent Wilkinson, on a fine individual effort, added one each. Duane Erier

earned two assists, and single helpers were added by Sheppard, Jamie Stephenson, Michael Bahr and Bouskill. Once again, the goaltending tandem of Chad Hughes and John Waller provided fine support for the local squad.

At Memorial Arena on Sunday, Georgetown hosted the scrappy Chinguacousy team and recorded a 6-5 victory.

Blaine McCauley led the charge for the Major Atoms as he recorded the hat-trick. Bouskill, Stephenson and Sheppard added single markers. Bouskill, Stephenson and Tyson Hackett were credited with two assists apiece, with one each recorded by Gavin Glaser, Bahr and Stephenson. Waller capably went the distance in backstopping the victory.

## Mayflower sweeps two in peewee hockey action

The Georgetown Thompson Mayflower Peewee B's presented their coach with an early Christmas gift last week, as they skated to a pair of impressive wins.

In facing Milton, Georgetown found themselves in a somewhat chippy contest. Milton scored the first goal of the game, but an aggressive game by David Osborne held them off the rest of the game, as Georgetown connected for four unanswered markers.

Mike Large and Scott McGuigan had a pair of goals each for the locals, while Greg Dawson, Derek

Ellard, and Kevin Patrick chipped in with assists.

The victory was the first for Georgetown over Milton this season.

Thursday, the Mayflower crew continued to play well in doubling Burlington 4-2. The contest was a fast-skating, clean game, as Georgetown allowed their opponents only six shots on net.

Ellard had an excellent night, scoring twice and assisting on another marker by Greg Dobbin. Dawson had the other Georgetown goal as Osborne and Dobbin picked up assists.

## Still room for swimmers

There are still openings in the swimming lessons that begin the week of January 4 at both the Action and Georgetown Indoor Pools. For more information call the Recreation and Parks Department 877-5185 ext. 260.

## Broomball tourney set to go

Teams are now being invited to sign up for the Annual Halton Hills Winterfest Broomball Tournament, which will be staged at the Georgetown Fairgrounds on Feb. 6, from 8:30 a.m. to 4 p.m.

The mixed tournament is planned as a fun day for all who take part.

Teams must provide their own equipment, and helmets, and elbow

and knee pads are recommended. Of the six players on the ice at one time, a minimum of two must be female players.

Each team member must also sign a claim waiver before playing in any of the games.

The entry fee is \$25 per team, and the deadline for registration is Jan. 22, 1988.

Team registration forms are available at the Halton Hills Recreation and Parks office on James Street in Georgetown, or at the Halton Hills Herald office, 45 Guelph Street.

For more information on the mixed broomball tournament, contact Jeff Bitton, at the Recreation and Parks office, 877-5185, ext. 262.

## Mal Dodge strong in outing with Maroons

The Mal Dodge ReMax "AA" Pee Wees were involved in three close games last week in the Tri-County League.

In Oakville, the Georgetown squad had a 3-2 lead going into the third period but wound up on the losing end of a 6-3 score after Oakville scored four unanswered goals. Tim Presswood opened the Georgetown scoring with assists from Kenny Kosziwka and Shawn Pearson. After Oakville gained a 2-1 lead, Georgetown replied with goals from Chris Barrow and Kosziwka, with his second point of the game. Shaun Curry assisted on Barrow's goal, while Randy Bond added the helper

on Kosziwka's marker.

In Orangeville Saturday night, Georgetown came out on the short end of a 5-3 score. In the fast-paced contest, Georgetown spotted the hometown a 2-0 lead before Randy Bond scored two goals in 24 seconds, the first on a rebound from a Brent Couling slapshot and the second on a feed from Shaun Curry. Orangeville had a 4-2 lead when Curry scored on a pass from Tim Presswood to narrow the gap to one goal. Orangeville added a goal one minute later to round out the scoring.

On Sunday night at Memorial Arena, the Georgetown team played their most physical game of the season against the Brampton

Maroons. The entertaining game featured many solid checks and end to end rushes which kept the spectators on the edge of their seats. The game was scoreless until the last two minutes of the second period when Brampton opened the scoring on an unassisted effort by Jason Gregory. The visitors led 2-0 when Randy Bond took the puck around the net and poked it in the corner. Shawn Pearson assisted on the goal, which cut the lead to 2-1. Brampton scored the final marker with 58 seconds remaining to put the game out of reach.

Fine goaltending by Marc St. Pierre and by Tom Diardleuk in the Orangeville contest, kept

Georgetown in the game. Both goalies have displayed steady play all season.

## Glen Eden improves facilities

Glen Eden Ski Area, which is owned and operated by The Halton Region Conservation Authority, would like to introduce a season of family skiing at one of Ontario's most popular ski areas.

Located just 30 minutes from Toronto or Hamilton off Highway 401 at Milton, Glen Eden offers seven day and six night skiing to all levels of skiers.

Glen Eden is proud to announce the opening of the "New Triple Chairlift" which replaces a T-bar in front of the chalet. This lift is part of a \$520,000 project which also includes a new ski run under the chair, and a 30 per cent increase in snowmaking capacity. This project kicks off the start of a projected \$6 million expansion plan to upgrade Glen Eden's facilities, and provide the people of Halton Region and Southern Ontario with a great skiing experience closer to home.

During the 1986/87 ski season, Glen Eden set attendance records of over 96,000 skier visits during a period of 93 operating days. With the addition of a new triple chairlift and ski run, Glen Eden will be able to raise the level of service for a growing market.

Glen Eden hosts one of Ontario's most highly trained Ski Schools under the directorship of Doug Leeming. Over 80 CSA certified Ski Instructors conducted more than 35,000 lessons last ski season and in general generated a large amount of skiing interest in this part of the province. Glen Eden has formulated an extensive variety of lesson programs and offers private lessons to

people of all ages and skiing abilities. This year's lesson program sales have already topped last year's and if the Farmer's Almanac is correct, Southern Ontario is in for the best ski season in many years.

Glen Eden is an ongoing contributor to the tourism economy of the Halton Region and the Ontario alpine skier market as well as a major employer.
