

# Bring me Talking Cabbage Patch, phone and clothes

Dear Santa,  
Please bring me a Fisher Price stove.  
Love, Laura

Dear Laura,  
I love the stationery you wrote this note on! Where can I get some? The only thing you asked for is a stove! What are you planning to bake? Candy cane cupcakes and gingerbread reindeer I hope! They're my favorites! I'll see what I can do about your list! Have a Merry Christmas Laura, and I'll see you soon!  
Love, Santa

P.S. Mrs. Claus said she'll include some recipes for you if she gets a chance!

santas  
Dear Santa,  
Please bring me a My Little Pony nursery. How is Rudolph doing? I have been good.  
Love, Jennifer Shields

Dear Jennifer,  
You and your sister must have taken a long time to make the stationery - but, it's worth it! It looks great! Rudolph is fine, and so are all of the other reindeer. They're all anxious to get started delivering toys. Personally, I think that they like the carrots that people leave out for them the most! Make sure you look out your window on Christmas Eve Jennifer, and see if you can spot us!  
Love, Santa

Dear Santa,  
My name is Stephen Oversby. I am 7 years old. I have been a really good boy this year. For Christmas I would like you to please bring me some play-doh, ghostbuster car and the games called Feed Me and Don't Wake the Dragon. I will leave you some cookies and milk beside our Christmas tree.  
Love from Stephen

Dear Stephen,  
I checked my list and you have a yellow star beside your name, which means you were a very good boy! What would you make if I brought you Play-doh? I'll try my best to get you the things you asked for! I'm looking forward to seeing your Christmas tree, you always have it decorated so nicely. Thanks for leaving me a treat, and I hope you'll like the treats that I leave you!  
Love, Santa

Dear Santa,  
My name is Angela Oversby. I am 4 years old. I have been a good girl this year. For Christmas I would like you to bring me a Talking Cabbage Patch, a phone and some clothes. I will leave you some cookies and milk to eat.  
Love from Angela

Children at the Pre-School Playshop Program in Acton had some Christmas fun last week as they took turns trying to "knock the stuffings" out of a festive pinata. It took quite a few whacks, but the youngsters finally managed to open the pinata, and enjoy the goodies inside. (Herald photo)

Last Thursday afternoon at Prospect Park Santa Claus played a visit to the recreation department's pre-school workshop, warming the

hearts of all around him. Children willingly sat on the knee of Santa, whispering gift suggestions into the ear of the jolly old fellow. (Herald photo)

Dear Angela,  
So you're four now! Do you remember all the toys I left you last year? Well, you're going to love your new toys even more! I see that you've asked for a phone, I hope you won't stay on it all day long, like some people I know! We don't have phones up here at the North Pole, just penguin messengers! Ho! Ho!  
Love, Santa

Dear Santa and Mrs. Claus,  
My name is Andrew and I have just turned 4 years old. I have been a good boy, but I still like to tease my big sister Vicky and our little kitten Tigger. I told you last year that I liked to tease Vicky and you said that was okay as long as I'm only playing. Thank you for getting me what I wanted last Christmas. This Christmas I would like Tex-Hex, ghostbusters and their car. You must have enjoyed my mommy's mince tarts last year, because there were only a few crumbs left. I will leave you some more and a glass of chocolate milk, and some carrots for Rudolph. I love you all.  
Lots of love and kisses,  
Andrew Sullivan,  
John St., Georgetown  
P.S. I try to be good all the time.

Dear Andrew,  
I'm glad you liked all the gifts you had last year, but you should see what I've got for you this year! Wow! I'll admit to you that I almost wanted to keep them all for myself! Most brothers tease their sisters, and as I've said before as long as you don't bother her too much, or get nasty, (which I'm sure you wouldn't do) then it's okay. After all, your sister is probably a good sport anyway! I'm looking forward to seeing you at Christmas, Andrew!  
Love, Santa

Dear Santa and Mrs. Claus,  
How are you both. Thank you for bringing me what I asked for last Christmas. My mommy says that I have been really good, and now I am in school. I like it very much. For Christmas I would like a kitchen, play food, Lady Lovelylocks. Did you enjoy my mommy's mince tarts last year. I will leave you some more of my mommy's mince tarts, and a glass of milk for you, and a carrot for my favorite reindeer, Rudolph. Hope you and Mrs. Claus have a good Christmas. I love you all.  
Lots of love and kisses,  
Vicky Sullivan,  
John St., Georgetown

Dear Vicky,  
Mrs. Claus and I are fine thank you! I'm glad that you like school, have you ever brought Tigger to school? I guess it wouldn't be a very good idea, he might be scared, what do you think? Yes, I really enjoyed your mommy's mince tarts, I took one back with me to the North Pole so Mrs. Claus could try it too! Rudolph loves carrots, up at the North Pole, he eats them with ketchup! I'll see you at Christmas!  
Love, Santa

Dear Santa,  
My name is Courtney I am 3. I would like a giant pink puffalump for Christmas. I love you Santa.  
Love, Courtney

Dear Courtney,  
How do you like being three? In 'elf years' that would mean that you are umm... 72 1/2 years old. When did you turn three? You asked for a pink Puffalump, is pink your favorite color? I have most of your gifts ready, but the elves are still working very long hours. For the past month, we've been feeding Rudolph and the other reindeer carrots, it helps them to see better in the dark you know! Do you like carrots? You should, they're good for you! Merry Christmas Courtney, I'll see you soon!  
Love, Santa

Dear Santa,  
My name is Alan. My cat's name is Sara. I would like Dinosaur Play-Doh and Monster Mash please. How is Rudolph the Red-Nosed Reindeer?  
Love, Alan Fiddler,  
Georgetown

Dear Alan,  
Do you like making things? I asked because I noticed that you asked for Dinosaur Play-Doh, what color do you think a dinosaur would be? Purple? Green? Orange with red polka dots and blue stripes? Rudolph is fine! His nose is shining as brightly as ever, and from what I've heard about Georgetown's weather, we're going to need Rudolph to guide us! The other reindeer are excited about

Christmas too! Do you remember the names of all of them? I'll give you something to think about until Christmas, won't it Alan? Ho! Ho! Ho!  
Love, Santa

Dear Santa,  
Hi! My name is Jessica. I am 3 years old. I would like a Cabbage Patch doll and a Jack-in-the-Box for Christmas please. I always try to be a good girl. I was wondering if there are girl elves as well as boy elves living with you at the North Pole. I will leave out some cookies and apple juice for you on Christmas Eve, and a carrot for your reindeer. Hope you have a nice trip.  
Love, Jessica Fiddler,  
Georgetown

Dear Jessica,  
Indeed you have been a good girl, you were in the top five on my list of good boys and girls! Yes, there are a number of girl elves up here at the North Pole, all of the elves have been busy making thousands of toys, and helping Mrs. Claus bake tons of Christmas goodies! Have you helped your family with the Christmas baking? Apple juice? That's fantastic Jessica! I haven't had apple juice for a long time, because there are no apple trees up here at the North Pole! The reindeer will love their treat too, we have to get all of our carrots shipped in you know!  
Love, Santa

Dear Santa Claus,  
How are you. I am fine. I hope you're staying warm up in the North Pole. I wouldn't want you to catch a cold. Are the reindeer getting ready for their big trip on Christmas Eve. How's Mrs. Claus, is she finished her Christmas baking or did you eat it all Santa. I know Mrs. Claus keeps you so jolly.  
I have been a very good girl. For Christmas I would like a Webby Doll and Albie II. My sister Tanya would like Main Street and Maple Vac. She has been a good girl too. We also have a new sister, this will be her first Christmas. Her name is Bridgette. Could you please bring her a teddy bear for her crib. We will leave hot chocolate and cookies for you. Oh! and carrots for the reindeer. Merry Christmas.  
Love, Nicole, Tanya,  
Bridgette Pereira,  
Norton Cr., Georgetown

Dear Nicole, Tanya and Bridgette,  
It's quite cold up at the North Pole right now, but, don't worry! None of us have caught a cold, thanks to Mrs. Claus' secret cold drink. It's a root beer float, with just a twist of frostberry and iceflakes. Sounds good, doesn't it? There are a few other ingredients, but I can't remember what they are! I'll see what I can do about all the toys you asked for, you will share them with each other, won't you? Hot chocolate and cookies? That's great! Thanks! I'm sure it will be cold up there in Georgetown, and I'll need something to warm me up. Hot chocolate should do the trick! I'll see you at Christmas girls!  
Love, Santa

Dear Santa,  
I am six years old. I love you. I can't wait until you come. I hope you keep well. I hope your reindeer bring you here safely. I would like Predacons, Ghostzapper, Turbo stecker, Tonka, Bingo Bear, Pet Monster Kiss, kiss and hugs  
Christopher Dawson

Dear Christopher,  
I hope you enjoy being six years old - when I was your age I wanted a bear too! You asked for a Ghost-Zapper, I hope you don't have any ghosts living with you! I'll see what I can do about the toys you asked for, the elves are already working hard. Rudolph and the other reindeer are very careful, we have to watch out for airplanes you know! Ho! Ho! Ho!  
I'll see you at Christmas!  
Santa

Dear Santa,  
Hi, my name is Julie Thompson and I am four years old. I hope everyone at the North Pole is feeling well and getting as excited as I am about Christmas. I have been a good girl this year. I just want you to know that I have started nursery

school this year and I am trying my best to do good. Santa for Christmas I would like a Talking Cabbage Patch doll, the game Perfection, a puzzle, some new pierced earrings and a new pair of slippers for school. I will leave a snack for everyone on Christmas Eve.  
Love Julie Thompson,  
Georgetown

Dear Santa,  
I have been a good boy and I love you. I would like a soccer Popple.  
Daniel Bunt, Acton  
Age 6

Dear Daniel,  
I love you too! I know that you have been a good boy! In the six years that I've known you, I've never seen your name under the 'Bad Boy or Girl' list. In fact, this year your name had a great big yellow star beside it, which means that you've been a very good boy! Keep it up Daniel! I have some great surprises planned for you!  
Love, Santa

Dear Ashleigh,  
What a nice name you have! I'll see if I can find some storybooks with colorful pictures in them - that's the type I liked when I was your age! Who reads your stories to you? The elves are very, very busy right now, one of them, Skiggle, is wrapping one of your gifts now, but I'm not going to tell you what it is! Ho! Ho!  
Love, Santa

Dear Julie,  
How do you like nursery school? I am sure that you are doing well! I talked to your teacher the other day, and she said you have been a very good girl! The elves are getting really neat gifts ready for you! Thanks for leaving me a treat, I'll be starved when I arrive in Georgetown, because I don't eat dinner before I go! (It would weigh down the sleigh too much!). Merry Christmas Julie.  
Love, Santa
