## ASTRO-GRAPH

Bernice Bede Osol

### Your Birthday

New places, new faces and new interests will have a special fascination for you in the year ahead. Lots of changes that you weren't able to make in the past are in the offing.

**CAPRICORN (Dec. 22-Jan. 19)** Be your own person today. Don't yield to peer pressure, especially if your friends try to encourage you to do something of which you disapprove. Get a jump on life by understanding the influences which are governing you in the year ahead. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

**AQUARIUS (Jan. 20-Feb. 19)** Be sure that you and your mate are on the same wavelength today regarding the directives each gives to those in your charge. Conflicting commands invite rebellion.

**PISCES (Feb. 20-March 20)** Ribbing or kidding others may seem innocuous to you today, but be careful who you roast. A sensitive pal may take your joshing seriously.

**ARIES (March 21-April 19)** In situations today where there is something of value at stake, be careful not to let someone

less prudent than you influence your thinking.

**TAURUS (April 20-May 20)** Indecisiveness could lead to your undoing today. You may postpone making a decision so long that you might be forced to make an unwise, snap judgment under pressure.

**GEMINI (May 21-June 20)** Be extra careful what you are doing today, especially when performing undesirable tasks. Be sure to keep your thumb out of the way of the hammer.

**CANCER (June 21-July 22)** The requests of a demanding friend aren't likely to rest too well with you at this time. Usually you can tolerate, or at least cope with this person, but not today.

**LEO (July 23-Aug. 22)** Continuity of effort is extremely important in competitive involvements today. If you let your guard down or start relaxing, your opposition may run past you.

**VIRGO (Aug. 23-Sept. 22)** Subdue tendencies today to criticize associates without just provocation. Caustic comments could trigger a heated exchange.

**LIBRA (Sept. 23-Oct. 23)** Conditions are a trifle tricky in joint ventures today. Don't be enticed into a situation where you do all the giving and the other guy does all the taking.

**SCORPIO (Oct. 24-Nov. 22)** Look out for your self-interests today, but don't feather your nest at the expense of someone else. If you do, that which you gain is likely to be only temporary.

**SAGITTARIUS (Nov. 23-Dec. 21)** Something you are intending to take care of but haven't gotten around to yet could start causing you complications as of today. Stop rationalizing.
