Be honest.

Can you see disabled adults working for a living? Or even managing on their own?

If you can't, that's not only your problem. It's ours.

We're the Ontario March of Dimes. We're working to help disabled adults be as independent as possible.

With job training and placement. Accessible housing, transportation and home care support.

With assistive devices like wheelchairs and electronic aids.

Disabled adults want to be contributing members of the world around them.

We're doing all we can, but we need your help.

Because we know of only one way to open the eyes of a whole society. And that's one person at a time.

Please support the services so vital to disabled adults. This year, give as generously as you are able.

Send your donation to the Ontario March of Dimes, 60 Overlea Boulevard, Toronto M4H 1B6.
