

Acton swimmers splash to seventh place finish

Acton High

By Lesley McCrystal

A ski trip is being planned for all students who have taken physical education last semester, and those who are taking P.E. this semester. The trip is to be held on Friday, March 4 at Horsehoe Valley.

The Acton swim team did it again. Last Saturday evening the AHS swim team returned home after competing in a meet held in Windsor. Eighteen teams from across Ontario competed in this meet and, Acton with only 12 swimmers, placed seventh overall. Every event had between 30 to 45 swimmers entered.

Bringing home gold for Acton were Tauni Sheldon and Carolyn Sewell. Carolyn who swam her fastest 200 freestyle time, earned the gold medal in this event.

Tauni Sheldon, another great swimmer, earned her gold medal in the 50 metre butterfly race. Carolyn Sewell, back in the winners' circle, received a silver medal in the 50 freestyle. The senior girls medley relay team of Tauni Sheldon, Carolyn Sewell and junior swimmers Lee Gallant and Janeen Robinson brought home the bronze medal for their great performance. The junior boys medley relay team of Matthew Fleet, Jason Heideman, Todd Deforest and Sean Jeffery turned in their fastest time and received the silver medal for their excellent swim.

Congratulations team! Senior boys basketball team travelled to Loyola last week. Loyola defeated Acton 75 to 57. High scorers were Alan Scott with 26

points, Greg Winiarz with 19 points and Chris Burrell with eight points. Our team played a strong game of offensive and defensive.

Last week the senior girls volleyball team competed in two tournaments and came away with excellent results.

On Tuesday, they competed at the University of Guelph against 16 teams from across the province. They placed second losing to Oshawa O'Neil in the final 15-12 and 15-13.

On Saturday, they competed at Loyola in Oakville and came away the tournament champions, defeating Assumption 15-5 and 15-9.

Special congratulations to Susan Craig who was voted the outstanding player in both tournaments.

This coming Friday night AHS is holding a flashback to the '50s, '60s, '70s at this month's school dance. The dance will begin at 7:30 p.m. and will run till 11 p.m.

Hockey team in playoffs

GEORGETOWN HIGH

By Jamie Harrison

Welcome back. Another semester has come and gone for the students of GDHS, thus landing us right at the base of yet another semester of hard, studious work... well work at any rate.

I suppose one could take the optimist's view. That being: the school year is half over. Conversely, however, there is still another semester to go.

The GDHS music department is presently looking for guitarists willing to form a guitar ensemble. If you or someone you know is interested, please contact Mrs. Blake or Mrs. Kirkup-Ortalon of the Music Dept.

The GDHS midget boys basketball team won the consolation at the tournament they were participants in this past weekend, as well, they were winners in their game with Q.E. Park.

One question, here. No offence, Pete, but: Is GDHS morning announcements "DJ" Peter Roe ever not chipper or upbeat? I was just wondering...

The GDHS Rebels hockey team dropped a game Wednesday night against Pearson High, however they did beat Assumption by a score of 2-1 on Monday. The Rebels have just a few more games to play before the commencement of the playoffs. Says

Rebel Danny Lane: "This is the first time we've made the playoffs in four years, so it's kinda exciting. A lot of the young guys are excited, as well as the veterans. We've really started to pull together as a team of late."

GDHS rockers St. Xavier have started recording songs, recently. They intend to use the songs to help showcase the band, as well as contest possibilities such as Q107's in-

famous "Homegrown" contest.

Option sheets were distributed this past Wednesday to students for the 1988-89 school year. The sheets are due in on Monday (Feb. 15).

That's all for this week. To leave you, I reproduce an adage I recently read. It seems to ring true. "Smart people only believe half of what they hear. Intelligent people know which half." Adios...

Employment and Immigration Canada

If you are interested in any of the above positions, visit the Georgetown CEC.

Cruise admired

If you asked a group of preschoolers to list the people they most admire, "mom" would top many a list.

By the time children hit their teens, though, they tend to have other idols.

The World Almanac and Book of Facts put the question to a number of students from Grades 8 to 12.

The winner?
Actor Tom Cruise.
