Remodeling or Redecorating?

Then consider the natural beauty of a Bruce hardwood floor!

Whether you're redecorating your den, or adding a new room to your home, here's the perfect way to add the finishing touch to your redecorating or remodeling plans — with a Bruce Hardwood Floor.

We have many styles and shades of Bruce plank and parquet floors to choose from, so you're sure to find just the

right one. And don't worry about installation. Many of our Bruce floors can be installed over most types of existing surfaces, and can be used in virtually any room of the home.

For an exciting alternative to carpeting and vinyl flooring, consider a Bruce Hardwood Floor. Here are just a couple of our outstanding values:

JEFFERSONIAN PARQUET
Classic early American parquet featuring a 6" square surrounded by 2" wide pickets to form a distinctive, elegant look. 1/2" thick.
