## ASTRO-GRAPH

Bernice Bede Osol

### Your Birthday

In the year ahead, you'll make some important changes that will contribute to your security. Outside circumstances will inaugurate this transition, but you'll guide it to fruition.

**PISCES (Feb. 20-March 20)** An interesting lesson may be in the offing for you today. It looks like you are going to experience first hand the value of positive thinking. Get a jump on life by understanding the influences which are governing you in the year ahead. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

**ARIES (March 21-April 19)** Profit is possible today if you use your business acumen wisely. Try to develop situations so that you can get a return from your involvements.

**TAURUS (April 20-May 20)** A loyal and somewhat forceful friend will have good things to say to others on your behalf today. When she/he speaks, people listen.

**GEMINI (May 21-June 20)** You're capable of handling challenging arrangements today from which you would normally try to shy away. Roll up your sleeves and get going, because you'll like the results.

**CANCER (June 21-July 22)** If there is an important situation you would like to reorganize, this is the time to start tearing it apart and putting it back together properly.

**LEO (July 23-Aug. 22)** Instead of involving yourself in new projects today, make a concerted effort to complete those which you have already begun. You'll operate better after the decks are cleared.

**VIRGO (Aug. 23-Sept. 22)** Your powers of concentration are likely to be more intense than usual today. Mental chores that require your full attention should be rather easy.

**LIBRA (Sept. 23-Oct. 23)** Conditions are slowly improving, and your chances for adding to your resources look encouraging. However, you'll have to assert yourself to realize any gains.

**SCORPIO (Oct. 24-Nov. 22)** Be extra conscious of your appearance today, because you will definitely be noticed wherever you go. Making a good impression enhances your image.

**SAGITTARIUS (Nov. 23-Dec. 21)** What you are anxious to achieve today can best be accomplished by showing others the benefits they can derive by working with you.

**CAPRICORN (Dec. 22-Jan. 19)** A close personal friend may lean on you a bit more than usual today, so be prepared to assume some of his/her burdens. They won't overwhelm you.

**AQUARIUS (Jan. 20-Feb. 19)** Don't be overly concerned if you get drawn into a competitive development today. Your track time will be swifter than your opponent's.
