Spring King crowned Photo display catches attention Snow Queen selected at Acton high parent night

This past week at GDHS was one of the busiest yet, as guests, teams and contests were received or held.

The excitement began last Friday (April 15) as a new Snow Queen and Spring King were crowned. The events, strangely enough, held on the same night, had a small but receptive turnout. For those of us who did show up, at least for Spring King, one of the best competitions was witnessed.

Highlights included "Cary's skill testing answer, Margaret Thatcher's screaming, cry baby Fay's expressions, Navratilova's never ending flexes and the 'perfect' dancing of the Flintstones.

The evening was capped off by the crowning of the fan favorite "Cary" Hill. Congratulations also go out to Miss Snow Queen 88, Bonnie Clark. Runner-up was Tanya Morrow.

Tuesday (April 19) had the high school welcoming the U.S. Ambassador to Canada, Mr. Thomas Niles. The Ambassador talked mainly about the free trade deal between Canada and the United States, although he was open to fielding questions relating to other topics. In front of a packed cafeteria (including CKVR TV) the Ambassador was presented with GDHS memorabilia (wow). Also, the jazz choir performed magnificently for Mr. Niles.

The jazz choir was also performing Thursday (April 21) during Showcase. Showcase was the "official" restoration reception. Parents, students, friends, even neighbors, looked over all the new facilities added only six months behind the "official" due date. At the high turnout open house, friends of neighbors saw the programs offered to students including the new computer lab and library. The new staircase was also looked at closely.

A day earlier, seven bands performed before an "enthusiastic" audience. Otherwise known as the annual air bands competition, this year's show was staged on the new and improved stage with, for once, a half decent set of stage lights.

While a smaller field of bands than was scheduled, performed, this year's competition can still be called a success. Although, let's hope air bands go back to the more famous time slot of lunch hours.

Wednesday also saw the running of the Rebel relays, yet with a difference this year. The difference was that the event was run in Georgetown. Previous years had Nelson High School running the competition. Performing in front of a large and loud GDHS crowd, Rebel athletes captured top prize overall.

The star of the show was the senior boys 4x8 relay team, of Yanne Letaric, Dave Paul, Rich Lane and Sean Cleary. Running for the first time together as a team, they came in

under the eight minute barrier. This is otherwise known as incredible. Their official time was 7:58.08.

Rugby opened its season Thursday as all three GDHS teams took on Oakville Trafalgar's rugby teams. While girls soccer opened yet another season with a match this week, a new team has appeared. For the first time in ages, GDHS will have a girls softball team. Finally in sports, Friday saw the Rebel badminton players compete in the Halton finals.

The second semester of the year is half over. Mid terms have reached every student's home. Parents' night was held at AHS last Wednesday (April 20).

A variety of displays were shown at this event. An interesting display titled "people we know" caught everyone's eye. This display consisted of portraits of students and staff of AHS. All photos were taken by physical education teacher Mr. Andrews.

It took a lot of time and work to make such an exciting display. We thank Mr. Andrews very much!

Many AHS students are working very hard for this year's musical production of "Anne of Green Gables". The dates for this exciting event will be May 12, 13 and 14. The talent of many young students will be shared with the public. So don't you miss out! For information on tickets call 853-2920.

Last Friday (April 15) AHS held another one of their fabulous dances. The DJ's for the dance were AHS students Pat Johnston and Steve

Acton High

By Lesley McCrystal

Athletic school jackets with the student's name lettered across the back are now available for purchasing. The cost will be approximately \$60. If interested please see Mr. Andrews as soon as possible.

Shamaoun.

Spring volleyball started last week. We wish all the students who are participating in this event a lot of luck and hope each student has a fun season.

During periods 2, 3 and 4 the physical education department has started noon-hour badminton. All students are encouraged to participate in this event.
