ASTRO-GRAPH

Bernice Bede Osol

Your Birthday

In the year ahead, you may be much luckier than you have been in the past in advancing an arrangement that means a great deal to you. Play to win.

TAURUS (April 20-May 20) Once you commit yourself to a carefully evaluated course of action today, pursue it vigorously. Decisiveness will be essential to your career. Taurus, treat yourself to a birthday gift. Send for your Astro-Graph predictions for the year ahead. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

GEMINI (May 21-June 20) Although you might not have total authority over a meaningful involvement today, it still looks like matters will be concluded to your satisfaction.

CANCER (June 21-July 22) Even though you might be a trifle extravagant regarding what you do for friends today, it could still turn out to be a sound investment of good will on your part.

LEO (July 23-Aug. 22) The timing is

right today to talk to influential people who can be of help to you where your career is concerned. Be forthright in your presentation.

VIRGO (Aug. 23-Sept. 22) Details will be important today, but don't focus on them so intently that they obscure the larger picture. Think big and let the smaller pieces fall in place.

LIBRA (Sept. 23-Oct. 23) Today could prove profitable for you in two ways: You might gain materially, and, at the same time, learn something of value for future use.

SCORPIO (Oct. 24-Nov. 22) Individuals with whom you have dealings on a one-to-one basis today either socially or commercially are likely to treat you more generously than usual.

SAGITTARIUS (Nov. 23-Dec. 21) Your motives for helping others will be genuine today, yet when the final score is tallied, you may derive greater advantages from your deed than they will.

CAPRICORN (Dec. 22-Jan. 19) Conducting important discussions in a convivial atmosphere has its benefits today. Favorable results can be achieved over a relaxed lunch or dinner.

AQUARIUS (Jan. 20-Feb. 19) You are presently in a cycle where matters should work out to your ultimate liking if you leave well enough alone. Don't muddy the waters.

PISCES (Feb. 20-March 20) Just because a situation did not work out too well for another doesn't mean it won't work out for you. The circumstances are similar, but they're not identical.

ARIES (March 21-April 19) Joint ventures look positive for you today, provided you are able to protect your interests. Complicated clauses should be written rather than verbal.
