## HERITAGE DESIGN WINS DREAM HOME AWARD

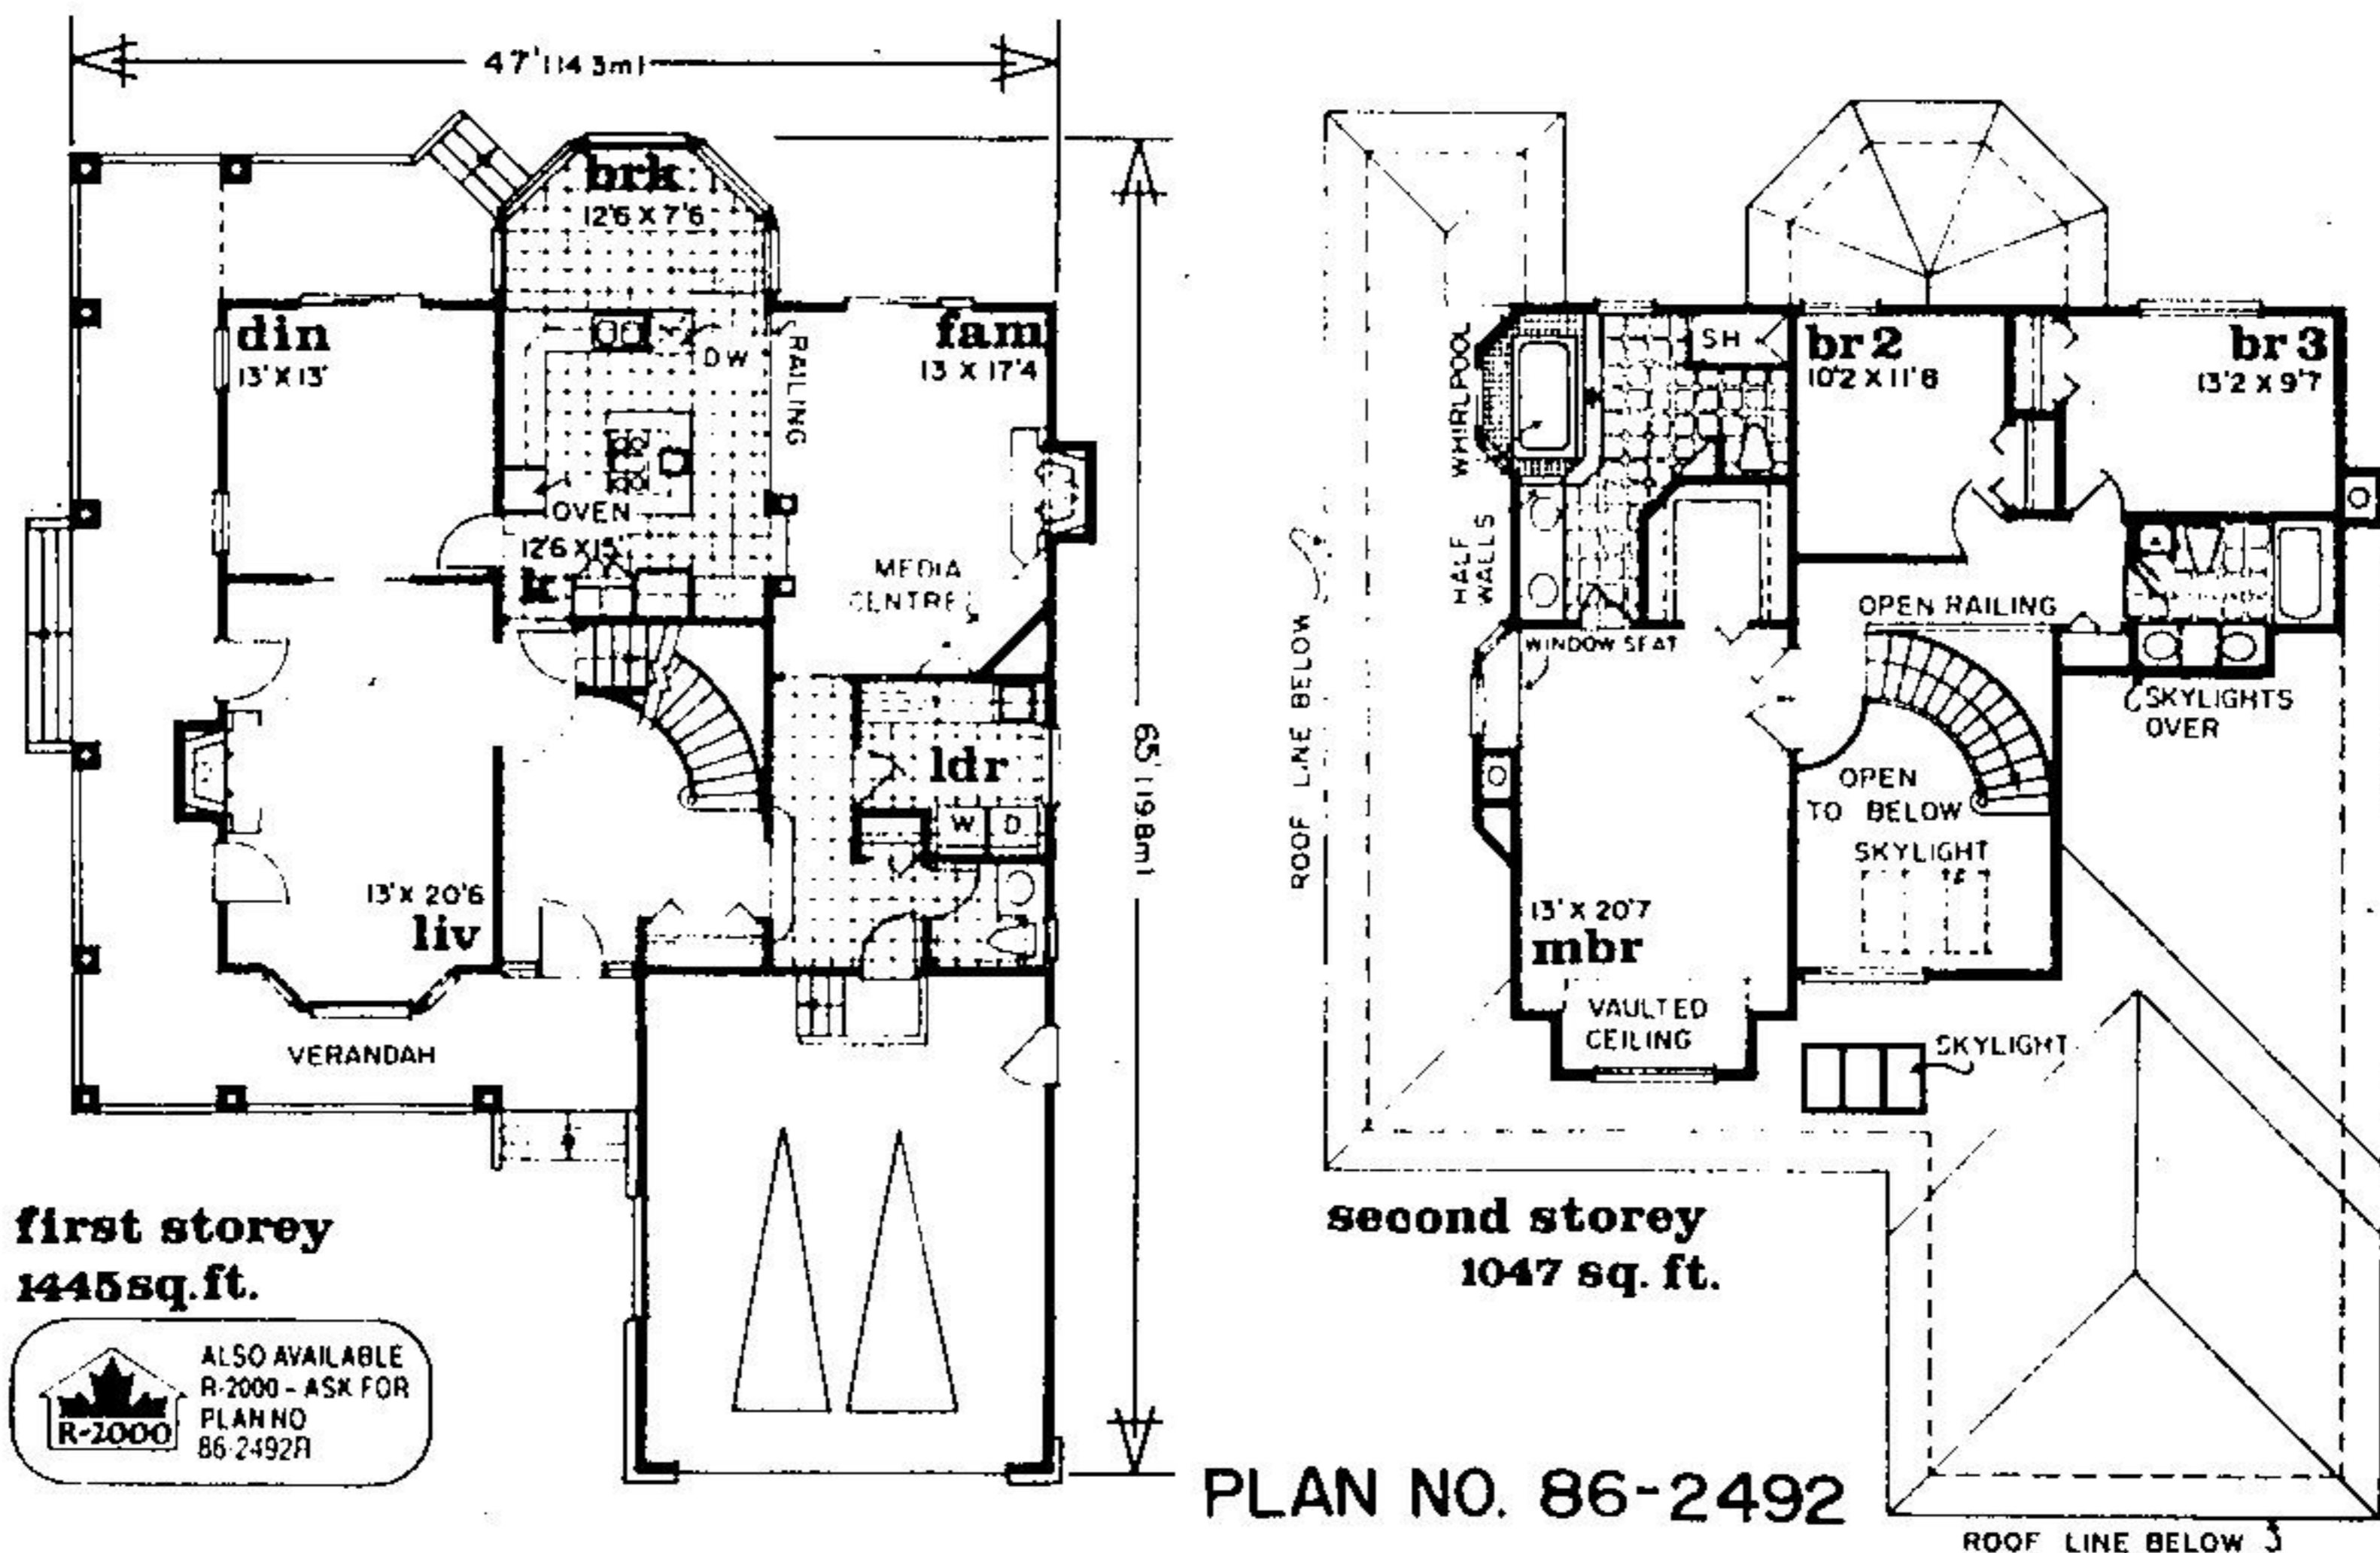

A spacious skylit foyer graced with a sweeping curved stairway, welcomes guests to this unique three bedroom 2,492 square foot dream home. Off the dramatic foyer, a bay window adorns the living room, complete with a masonry fireplace flanked by elegant French doors leading to the verandah. Fully weather protected, with turned wood spindles, the verandah extends around three sides of the house, inviting quiet, warm weather relaxation.

The kitchen has a centre work island, desk/organizer area and abundant counter space. Flowing from the kitchen is a breakfast room nestled in a sunny greenhouse bay. An open railing separates the kitchen from the family room, which is a natural gathering spot, featuring a cosy corner fireplace, media centre and sliding glass doors to a verandah.

The stairs ascend to the railed gallery which views the foyer below. The luxurious master suite boasts a vaulted ceiling

window alcove, large walk-in closet, and spacious ensuite with raised whirlpool spa, his and hers vanity, and shower. The two additional bedrooms, one with a sliding walk-through to a private deck, share a skylit bathroom with twin vanity and large soaking tub. Also available in super energy efficient R-2000.
