Luxury Condominiums

Each condominium has been architecturally designed for maximum utilization of space creating a true feeling of openness. State-of-the-art fitness centre and beautifully landscaped grounds will give residents year-round enjoyment and entertainment.

Extensive use of glass creates a visual impression of luxury living at its best.

Balconies provide easy access to the outdoors, sunshine, and spectacular views.

Attractively designed kitchens feature pass-throughs or breakfast nooks and come equipped with refrigerator, stove and dishwasher.

The most efficient heating and air conditioning units provide individual climate control allowing residents to save on energy consumption while away from home.

A live-in superintendent and a furnished overnight guest suite allowing residents to book short term accommodation for friends and family.
