

Herald picture parade

Skin Disease Foundation Chairman Tony Degabriele was in Georgetown May 17 to thank the local Lions Club for its support over the last three years. Lions Club President Ken Burgoyne said the club has donated about \$4,000 to the foundation. Mr. Degabriele brings a bio-chemist from Spain to Canada twice a year to check up on 62 children in his program. The foundation helps children with terminal skin diseases such as Lupus by bringing the doctor over to treat them.

An inspection of the 676 Lorne Scots Army Cadets was carried out at the Armory grounds last Wednesday. Included in the evening's program was a demonstration by the cadets, and the traditional march-by of the ranks. This was the 15th annual inspection of the 676 Lorne Scots. (Herald photo)

The Georgetown A and P grocery store is sporting two new faces. Rob James is the new manager while Steve Jones has come on board as the assistant manager.

New manager at A and P store

A and P Food Store welcomes shoppers to drop by Saturday, June 4 to meet their new store manager Mr. Rob James and assistant store manager, Mr. Steve Jones.

Coffee and donuts will be served throughout the day in an attempt to help customers become better acquainted with new members of the A and P staff.

Mr. James started work with A and P in 1977, part-time. He worked his way up to night crew leader in 1977, grocery manager in 1984, assistant manager in 1985 and now joins the A and P located on Sinclair Street, Georgetown, as store manager bringing with him many new and innovative ideas.

Mr. James and his wife Beth have a 20-month-old baby, and another on the way. They currently live in Brampton.

Mr. Jones started with A and P in 1978 part-time. By 1982 he was working fulltime and was working his way up from night crew, to dairy manager and then to grocery manager at the A and P in Cookville. Mr. Jones later moved to the store in Lorne Park where he worked under the title of assistant manager.

Mr. Jones has now joined the A and P in Georgetown as assistant manager. Mr. Jones, his wife Donna, and 11-month-old daughter Sarah are currently living in Oakville.

Don't miss out June 4, when the A and P Food Store celebrates the welcoming of new management staff Mr. Rob James and Mr. Steve Jones.

Terra Cotta WI holds annual meeting

The annual meeting of Terra Cotta Women's Institute was held at the home of Eleanor Macdonald with the president, June Frazer, conducting the meeting.

The annual reports were given and Margaret McKane reported on the Peel North District March board meeting.

Gifts were received by the retiring president, June Frazer, and the retiring secretary-treasurer, Linda Downs, for their efficient leadership during their terms of service.

The officers for 1988 and 1989 were elected and installed as follows: Past President - June Frazer; Pres-

ident - Enid McBride; Vice-President - Linda Downs; Secretary-Treasurer - Barbara McKane; Assistant Secretary - Shirley McDonald; Program Co-ordinator - Eleanor Macdonald; and District Director - Christine Bishop.

Lunch was enjoyed by all at the Mandarin Restaurant in Brampton.

The Peel North District Annual meeting was held in Sandhill United Church on May 9, with Enid McBride, Christine Bishop and Margaret McKane acting as delegates from Terra Cotta Women's Institute.

At the morning session, Mrs. W. Boddie, the President of the Ontario Literary Council spoke on the problem of illiteracy and explained the Laubach method of teaching. Tutors can be trained in twelve hours to teach it.

In the afternoon, John Devins showed slides and commented on Waste Management in the Caledon area.

Catherine Leslie hosted the May meeting of Terra Cotta Women's Institute. Plans were made to have an exhibit at Brampton Fair. A very interesting speaker for Brampton Hydro gave an informative address on Energy Efficiency in the home.

Instead of a meeting in June, Christine Bishop and Phyllis Newsa have arranged a tour in the Guelph area.

Workplace smoking policies

More and more businesses are considering banning cigarette smoking at work. This protects the health of their employees and therefore saves the company time and money. Any company planning to implement such a policy, should attend the seminar "Developing Smoking Policies in

the Workplace" offered by the Halton Regional Health Department and the Lung Association - Halton Region.

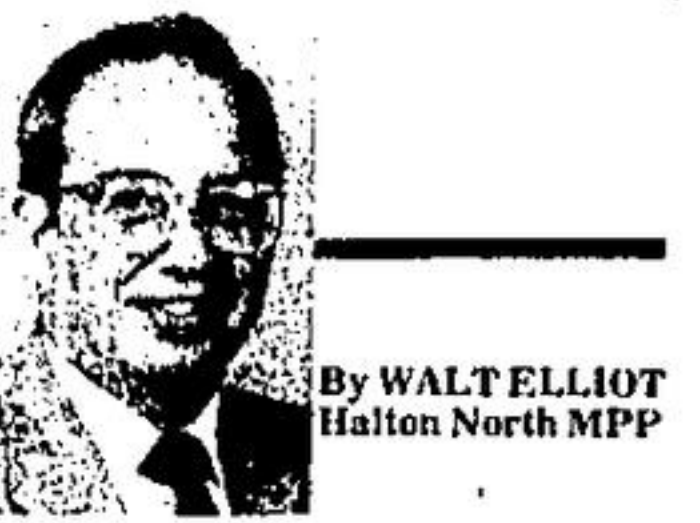

This will be held the morning of Friday, June 3 at the Regional Office, Bronte Road, Oakville.

To register or for more information call the Lung Association at 632-8499.

Keep a watch for telephone solicitation

I think it would be appropriate to warn the people of Halton North and particularly those who visited the recent National Home Show in Toronto, that they may be receiving a follow-up telephone solicitation from one of the exhibitors regarding a U.S. based shopping club membership and an inexpensive vacation.

The Ministry of Consumer and Commercial Relations has asked me to inform constituents that it has received complaints regarding a win-a-trip contest. Coupons from this contest have led to contestants receiving phone calls telling them that although they didn't win the free trip, they were now eligible to be members in a home shopping club and a discount trip to either Florida or Mexico. All the consumer had to do was pay \$299 and supply the caller with their credit card number.

By WALT ELLIOT
Halton North MPP

receive the goods you ordered or if they arrive damaged, there is no recourse for complaint in this country.

So, please be careful when dealing with telephone solicitations such as those described above. If anyone knows of someone who has been affected by this unfortunate development, please call the Consumers' Information Centre at 1-800-268-1142 and ask to speak with an information officer. Thankfully, problems such as these are the exception rather than the rule.

Randy Reese of the Consumer Services Bureau is concerned. "Consumers are strongly advised never to give their credit card numbers out to sales people or any other unsolicited callers. This is particularly true when dealing with out-of-country callers since there would be no protection under provincial or federal law should there be a problem," he warns.

There is also concern as to whether the deal is actually as good as it sounds. Other problems like currency exchange, postage and handling costs and manufacturers' warranties that are not honored in Ontario are only some of the difficulties you may find yourself faced with. Furthermore, if you don't
