**CONFUSED...?**

Today's housing market can be complicated. That's why you need the proven professionals in the industry to help guide you through the maze.

Experience counts and so does caring — caring for you and your needs.

Whether you're looking for that special home or have one to sell, we can help. Give us a call!

ANOTHER ELEGANT OFFERING  
by D. HARVIE PATTISON

Pattison quality care is apparent in the construction of this luxurious four bedroom home with highlights that include a finished basement with open access featuring an oak staircase and a heated floor, two full four piece bathrooms as well as a five piece ensuite off the master suite. French doors off the formal

dining room and a 40 foot deck at the rear for your relaxing pleasure. This superbly crafted home is not offered for mass marketing but rather the tasteful, discerning buyer. To view plans and a site visitation please call
