JUNE 3, 4, 5

It is said, or so the story goes that the Business In Georgetown (B.I.G.) Celebration was the result of a group of business people looking for a way to thank all their valued customers for their support.

Today, this "thank you party" attracts over 15,000 people in our community and the B.I.G.

Celebration from the Georgetown Chamber of Commerce has truly become what its name implies.
