ASTRO-GRAPH

Bernice Bede Osol

Your Birthday

June 4, 1966
 There is a possibility that you might make a career change in the year ahead. It will be similar to your present vocation, but you'll have greater chances for advancement.
GEMINI (May 21-June 20) Be advised that this is not a good day to try to pull the wool over the boss's eyes. Your motives will be readily perceived, and could evoke an angry response. Gemini, treat yourself to a birthday gift. Send for your Astro-Graph predictions for the year ahead. Mail \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.
CANCER (June 21-July 22) An old bromide says, "Loose lips sink ships." People who have taken you into their confidence will be glad they're not sailing with you today over the bounding main.
LEO (July 23-Aug. 22) Don't lock yourself into a binding agreement today where the final details are still a bit obscure. Wait until all the fine points are ironed out.

VIRGO (Aug. 23-Sept. 22) Your possibilities for getting what you go after today are good. However, there is also a chance that you might offend an associate in the process. Weigh tactics against gains.
LIBRA (Sept. 23-Oct. 23) A plan that looks good on paper might not stand up too well today when you try to implement it. Be prepared to make corrections or adjustments.
SCORPIO (Oct. 24-Nov. 22) Something that you have been anxious to change looks like it will benefit others more than it will benefit you. Be careful that you don't engineer yourself out of the picture.
SAGITTARIUS (Nov. 23-Dec. 21) Today, be wary of people who didn't support you previously, but now want to be on your bandwagon. These individuals may have ulterior motives.
CAPRICORN (Dec. 22-Jan. 19) You might have difficulty in keeping your financial house in proper balance today. What comes in the front door could go right out the back.
AQUARIUS (Jan. 20-Feb. 18) Be very selective of your companions at this time. If you start traveling with the wrong crowd, your reputation could be branded by their deeds.
PISCES (Feb. 20-March 20) If someone wrongs you today, try to brush it off instead of being vindictive. It will only make things worse if you attempt to even the score.
ARIES (March 21-April 19) Don't hold back if you are called on to be supportive of a friend today. If you really believe in this person and want to help, pull out the stops and go all the way.
TAURUS (April 20-May 20) Treat people with whom you have dealings fairly today, but don't feel obligated to share something with another who has not made a legitimate contribution.
