PIONEER

DAYS

3 Big Days
JUNE 16, 17
and 18

Life seemed more simple in Pioneer Days. Back before budget restraints when an honest days work meant an honest days pay — Back when you could take a walk safely at night — and no one had to lock their doors. Your Downtown Merchants turn back the clock to those Pioneer Days, June 16, 17 & 18, and invite you to join them. Back to when a friendly smile from a stranger or the help of your neighbour was yours for the asking.
