Community open house

There's going to be another Community Open House in 1988!

The survey following the 1986 Open House indicated a need for another Community Open House in two years. Well, here it is two years later and under the auspices of the Halton Hills Recreation and Parks Department, a number of hard working volunteers from various community groups are putting together another Open House, bigger and better than before.

This year it is scheduled for Saturday, Oct. 15 from 10 a.m. to 4 p.m. at the Acton High School. There's lots of room for displays, demonstrations and special attractions.

Those who were involved in prior Open House events know what a wonderful opportunity these provide for letting people in the area know who you are, what you do and how they can use or get involved in your services.

This year leadership workshops are being offered in conjunction with the Open House. Topics will include Publicity, Fundraising, Recruitment and Meeting Management. There will be a small charge to defray the cost of top-notch speakers and to ensure commitment.

Display areas at the Open House will be approximately 6 ft. by 10 ft. and for each display a small fee is being asked to cover costs of the facility and publicity. Don't be disappointed - reserve your space while there is space available. To reserve your group's display area, call Jeff Hinton at 877-5185 ext. 282.

Plan to be at the Community Open House Connections '88 on October 15.

St. Francis leads way

The Halton Roman Catholic School Board held its 1988 elementary track and field meet recently and four local schools proved to figure prominently in the final tallies.

Holy Cross, St. Francis and Sacre Coeur - all of Georgetown - and Acton's St. Joseph's school all fared well in the Halton championships which featured other teams from schools in Oakville, Milton and Burlington.

In Midget competition a pair of silver medals were garnered by Georgetown athletes with Sacre Coeur's Jean-Francois Dezalnde taking second in the boys' 80-metre dash and Lori Venning of Holy Cross winning second spot in the girls' 200-metre dash.

Four local competitors finished in the medal round in the Bantam division with three silvers and one bronze being picked up. Francois St. Pierre (Sacre Coeur) won second in the boys' high jump, Wendy Graham (St. Joseph's) took second in the girls' softball throw, Brady Chandler (St. Francis) earned third in the boys' softball toss and Jodie Headop (St. Francis) won a third in the girls' high jump.

The Tyke division also produced four local individual champs and the St. Joseph's relay team just barely missed a medal by placing fourth.

Christine Mattson of St. Joe's was a double silver winner as she took second overall in both the girls' 80-metre dash and girls' softball throw.

Vanessa Bogert (St. Joe's) with a third in the girls' 100-metre dash and Marc Boucher (Sacre Coeur) with a third in the boys' 200-metre dash rounded out the local medal winners in the Tyke category.

Four area youngsters were also crowned in the Atom division with three gold medal performances highlighting the day.

Suzanne Wallace and Dione Benito, both of St. Francis, each earned first place finishes. Suzanne took top honors in the girls' 100-metre dash and Dione was number one in the girls' high jump event. Francine Philbert of St. Joseph's also took a gold medal, finishing first in the girls' softball toss.

A bronze medal win by Anik Arand of St. Francis completed a sterling showing by local Atoms. Anik copped third position in the girls' 200-metre dash.
