### WI members enjoy a night out

NORVAL-Norval W.I. enjoyed a night out to dinner at the Chateau Restaurant June 2 with 18 members and two guests attending.

Following a delicious dinner interspersed with typical WI fellowship two presentations were made. Marie Murray presented Dorothy McLean with a Life Membership for 29 years serving in most every office of Norval branch. Dorothy at present is our ever dedicated curator.

Gladya Chester then presented Marguerite Hunter with six silver coffee spoons with the WI crest engraved on their handles. Marguerite was our faithful secretary-treasurer for eight years. Both ladies expressed having enjoyed every minute of it.

President Norine Van Leeuwen reported on her attending the FWIO Leadership Development Conference 88 - Educate - Initiate at Queen's University, Kingston, Ont., May 13-15. A total of 401 ladies attended. Goals of this conference were: 1. To stimulate interest in identifying local community projects. 2. To motivate and develop leadership in the areas of program planning and promotional activities. 3. To provide direction in program planning. 4. To educate the members re: the issue of waste management-recycling.

Speaking on recycling Pat Salter, Deputy-Reeve for the Township of Peel, Wellington County and third vice president Guelph Area WI, stated garbage should be disposed of where it is produced, indicating people would then quickly do something to reduce this problem.

In the closing session Joyce Chaning Rural Organizations Consultant gave a reading, "All I ever needed to know, I learned in kindergarten."

Each member had three of six workshops available to attend at this conference, and many never to be forgotten friendships were made.

A good District Annual was reported by the six members attending at Campbellville May 26 with theme "This Land of Ours."

Doris Lindsay, District Program Coordinator gave a well-illustrated report on recycling, including a skit given by three members who had attended Conference 88 in Kingston, Ontario. District P.R.O. Katharine Garwood boasted Halton has 200 WI members. Make WI more visible, let everyone know what we are doing she said. Joan Law F.W.I.O. Board Director, Subdivision 12 gave a very interesting, informative account of the F.W.I.O. board meeting. New things have been introduced such as Tele-Conferences, Time recognition

pins of 10, 15, 20 years membership (not Life membership). Resolutions most effective and quickest avenue is to write letters. A scholarship to mark F.W.I.O. 90th anniversary is being awarded to a worthy WI member. Joan said each member should wear her pin and be a P.R.O. then closed with a poem "Friendship"

Each of the 12 District Directors answered the roll call by speaking briefly on one letter of Newfoundland, setting for the F.W.I.C. Conference "Shaping Tomorrow's Today" being held June 23-28.

Every member participated in two excellent workshops. Out of four options a short course on landscaping got a majority vote.

President Elizabeth Treviranus presented the gavel to the incoming President Norma Alexander and the retiring secretary-treasurer Glenda Benton thanked everyone for their support in her six years of service and another district annual closed with O' Canada. We are all looking forward to participating in Halton

Farm Festival Centennial celebration Sunday, July 17, 12 noon to 4 p.m. at the Ontario Agricultural Museum. A hearty thank you was extended to our guest May brander for packets containing road maps she gave everyone.

A program planning meeting is to be held at the home of Jean May, Thursday, June 30, at 7 p.m.

### Celebration

NORVAL-Rev. Margaret Murray led a full congregation at St. Stephen's Anglican Church, Herby, for a Service of Celebration in their Annual Cemetery and Memorial Day. Following the worship service in the church, the choir and clergy led the congregation out to the Lych Gate of St. Stephen's Cemetery, where Prayers of Thanksgiving and Remembrances were given. The Thomas J. Perritt Memorial Cross, an annual choir award was awarded to Neal Harrison, a choir member. A fellowship hour followed.

### Get well

NORVAL-Get well wishes go to Oliver Hunter, who is recuperating at home, following a three-week stay in Georgetown hospital.

### Beef barbecue

NORVAL-Home United Church Annual Beef Barbecue was held on the church grounds on Saturday, June 11. Around 450 people enjoyed the dinner along with home made salads and pies.

By BETTY SOJKA  
Herald Special

BALLINAFAD-A committee from the Hall Board spent this past Thursday evening on a grounds cleaning detail. This was in preparation for the upcoming Art Auction on June 25 at 8 p.m. Tickets are available at the store for \$5 or \$7 at the door. Mayor Russ Miller will open the auction. As well as local artists, there will be artwork from artists such as Ken Danby, Robert Bateman, Toller Cranston, Shirley Deville, Grant Hillman, Jack Reid and Liz Legerance. If you have never experienced an art auction, this is an opportunity not to be missed.

The UCW will be meeting Tues., June 20 for their monthly meeting. The ladies had a successful food booth at the recent auction for Bud and Evelyn Snow. The "Potluck Picnic" will be held this Sunday, June 25. This annual picnic signifies the end of Sunday School classes until the fall. Because of members going on holidays over the summer the Junior and Senior Choirs will break until September.

The Women's Institute recently took a bus trip to Hamilton. There, the group saw the Botanical Gardens, White Heron House and had a tour of the city. The women had a food booth at the auction held at the March's.
