FOUR BEDROOM TUDOR ACCOMMODATES A GROWING FAMILY

Brick facade, dormers and decorative boards embellish the traditional exterior of this four bedroom tudor. The covered entry opens to a generous living/dining room featuring a cozy angle-bay window seat and warming masonry fireplace. The well organized kitchen and breakfast bay overlook the sunken family room. Direct access from the double car garage opens to a laundry/mud room and adjoining powder room.

Upstairs, an attractive gallery provides space for a computer station or library. The master bedroom boasts a walk-in wardrobe and ensuite with large soaking tub. The three additional bedrooms share a main bathroom with twin vanity. Potential for future expansion is easily accommodated in the spacious bonus room, which may be used as a games room or extra bedroom.

The total finished floor space in this handsome home is 2004 square feet.
