This impressive two storey design offers a choice of exterior finishes - stately brick with distinctive architrave over the entry or classic board and batten with multipaned shuttered windows. The main foyer is flanked by a den and a spacious living room which stretches to a formal dining room with bay window. The informal area along the rear of the home features an efficient U-shaped kitchen, adjoining dinette, main floor laundry room and sunken family room with warming fireplace.

Retire upstairs to a comfortable master bedroom with full wall closets and three piece ensuite with soaking tub. The three additional bedrooms, each with roomy closets, share a main bathroom with twin vanity and tub.
