Oakville tourney

Bantams miss wild card

There were 12 teams competing in the Bantam Division of the Oakville Girls Select Soccer tournament, with Georgetown being in a pool with Mississauga, Grimsby and Glanbrook.

An 8:30 a.m. game at Shell Park saw the Georgetown team start well against a Mississauga team that could not quite get going against the strong tackling of its opponents. The grass was still wet and at times the teams had difficulty controlling the slippery ball. Georgetown scored first on a well-placed kick from Mylene Benito at left defence, which eluded the Mississauga defence and then skidded into the net past their surprised goalkeeper.

Georgetown continued to press and the half-back line of Cheryl Cave, Cheryl Buck and Joanna Miller was providing excellent support to the hard-running forwards. Eventually a cross from Nancy Walraven was first-timed into the net by Casa Gogan.

Although a wild card berth was still a possibility, it was later determined, from the goals against column, that Ancaster would beat out Georgetown for the fourth place semi-final berth by one goal.

It was a disappointing end to an excellent day's soccer, where Georgetown showed that they have an excellent competitive team, that, all season, has not lost a game by more than one goal.

Thanks should go to all the parents

who have shown their support, in one way or another, to the team this year, as well as all the executive of the Georgetown Soccer Club, who have assisted and planned the entries into various tournaments.

Lastly, a special thanks to all the girls who participated throughout the season, whether they played many minutes or a few, they were all part of the team, of which Georgetown is proud.
