COUNTRY CHARM WITH CONTEMPORARY INTERIOR

Dormers, bay windows, and verandah accentuate this charming, three bedroom, 2,170 square foot heritage style home. A two storey foyer, flanked by a formal dining room and sunken living room, leads to an angled gallery overlooking the entrance. The spacious living room with front view bay window has a cozy corner fireplace that is shared by the family room. The sunken family room has a sunny bay sitting area and sliding glass access to patio. An open railing separates the family room from the breakfast room and kitchen. The efficient U-shaped kitchen is tucked into a bay and provides abundant counter and shelf space. The double car garage with handy work bench opens to a convenient main floor laundry and powder room. Upstairs, the massive master suite boasts a dormer with barrel vaulted ceiling, a walk through dressing room with mirrored closet doors and three piece skylit ensuite with raised whirlpool spa. Two additional bedrooms share a three piece bathroom with tub. The bonus room offers an additional 390 square feet which may be used as an extra bedroom, game room or studio.
