ASTRO-GRAPH

Bernice Bede Osol

August 27, 1988

In the year ahead you may find yourself involved in several enterprises, each different. One will have legitimate promise, whereas the others might just keep you busy and anxious.

VIRGO (Aug. 23-Sept. 22) Your affairs could end up in a muddled state today because you may start several things and not properly follow through. Get a jump on life by understanding the influences which are governing you in the year ahead. Send for your Astro-Graph predictions today by mailing \$1 to Astro-Graph, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. Be sure to state your zodiac sign.

LIBRA (Sept. 23-Oct. 23) To be on the safe side today, it's best you rely upon yourself and not others. Favors you request could be ignored or poorly handled.

SCORPIO (Oct. 24-Nov. 22) Try not to get too many people involved in today's plans. If you do, everyone will want to

project their own ideas and your own could be overshadowed.

SAGITTARIUS (Nov. 23-Dec. 21) It's going to be difficult to please everybody today. You may have to do so if caught in the middle.

CAPRICORN (Dec. 22-Jan. 19) Give others a chance to express their own thoughts today, even if their views oppose yours. They could have some valid points that you might find helpful.

AQUARIUS (Jan. 20-Feb. 19) Be wary if a promotional scheme is presented to you today by an entrepreneur with a poor track record. It could be that nothing worthwhile is being promoted.

PISCES (Feb. 20-March 20) Guard against impulses to make commitments to others you won't take seriously — but they will. There will be a day of reckoning down the line.

ARIES (March 21-April 19) Guard against inclinations to start more projects than you'll be able to finish. In order to use time productively, you must have a good game plan.

TAURUS (April 20-May 20) The way you conduct yourself socially will be reviewed later by some of your friends. Be sure the impressions you make are favorable.

GEMINI (May 21-June 20) Favorable results are questionable today, because you may have tendencies to stop when the finish line is in sight. Unfortunately, near-misses count for nothing.

CANCER (June 21-July 22) You could be too quillible for your own good today. There's a chance a glib friend may sell you on some unsound ideas. Don't be easily impressed.

LEO (July 23-Aug. 22) There are indications you might not make the most of the opportunities presented to you today. You may have blinders on regarding their true values.
