COUNTRY CHARM WITH CONTEMPORARY INTERIOR

Dormers, bay windows, and verandah accentuate this charming, three bedroom, 2,170 square foot heritage style home. A two storey foyer, flanked by a formal dining room and sunken living room, leads to an angled gallery overlooking the entrance. The spacious living room with front view bay window has a cosy corner fireplace that is shared by the family room. The sunken family room has a sunny bay sitting area and sliding glass access to patio. An open railing separates the family room from the breakfast room and kitchen. The efficient U-shaped kitchen is tucked into a bay and provides abundant counter and shelf space. The double car garage with handy work bench opens to a convenient main floor laundry and powder room. Upstairs, the massive master suite boasts a dormer with barrel vaulted ceiling, a walk through dressing room with mirrored closet doors and three piece skylit ensuite with raised whirlpool spa. Two additional bedrooms share a three piece bathroom with tub. The bonus room offers an additional 390 square feet which may be used as an extra bedroom, game room or studio.

Send for Canada's largest plan book with over 300 designs, only \$9.95, including shipping.
