PERSONAL

Religion and science walk hand in hand, and any religion contrary to science is not the truth. It is interesting in the light of the Baha'i teachings, to find that most recent advances in science emphasize the oneness of the entire universe and the interdependence of all created things.

For those wishing to learn more about the Baha'i Faith, an informal meeting will be held Wed. Sept. 7th, 7:30 - 9:30 p.m. at the Acton Library, or call Kerry 877-9530 or Don 878-6138.
