**SPECTACULAR MASTER SUITE**

An exterior of brick, accentuated with quoining and decorative window shutters, lends a distinctive air to this 2,420 square foot three bedroom home. A sunken foyer opens to the living room, tastefully appointed with back-to-back fireplace which also serves the family room. An elevated formal dining room overlooks the living room through French doors. Informal living space includes a spacious gourmet kitchen with adjoining gazebo dinette, and a centrally located family room.

The hallmark of this design, a lavish master bedroom, includes a roomy walk-in closet behind mirrored doors, a private terrace and luxurious ensuite with sunken whirlpool spa, twin vanity, shower and bidet. The additional two bedrooms, each with full closet walls, share a main bathroom with raised soaking tub and shower.
