**WRAPAROUND DECK COMPLETES LUXURIOUS REAR VIEW HOME**

second storey 859 sq. ft.

first storey 8843 sq. ft. rear view design

A carefully designed floor plan with wrapping deck characterizes this 3,049 sq. ft. home. Directly ahead of the entrance is a sunken living room with full window wall which captures the scenery to the rear of the home. A massive masonry fireplace envelopes the living room corner. The casual living area revolves around an open plan U-shaped kitchen, skylit breakfast nook and family room. The efficient kitchen offers a spacious walk-in pantry, centre cooking island, roomy counters and a breakfast bar for quick countertop meals. The large adjoining family room has a second masonry fireplace and sliding glass walk-through to covered deck with whirlpool spa - an ideal entertainment feature!

The master bedroom wing, secluded from the more active area, offers a sliding glass door to the private deck, his and her walk-in closets and luxurious ensuite. The ensuite has a raised soaking tub, shower and twin vanity. The stairs wind to a railed balcony that overlooks the entrance below. The three bedrooms (two with walk-in closets and one with a private deck) boast scenic views. These bedrooms share a skylit bathroom with tub.
