Off and rolling

Tournament action wrapped up at the Georgetown Log Cabin Lawn Bowling Club last weekend as players from Milton, Oakville, Streetsville and Georgetown competed. Oakville won the event. Regular play continues at the Edith Street club throughout the fall, weather permitting. (Herald photo)

Local lawn bowlers hold wrap-up event

Under favorable skies, the Georgetown Log Cabin Bowling Club held its final mixed trebles tournament of the season at their Edith Street location. A number of outside clubs as well as local entries competed for top place honors with the team representing Oakville and skipped by Jack Tokn eventually emerging victorious. This brings to a close the local tournament schedule for the 1988

season, although club bowling will continue as the weather permits. With the cooler fall weather upon us, now is an ideal time for spectators and first-time bowlers alike to drop by and get acquainted with the challenging sport of bowls. Twenty thousand Canadians, young and old alike, can't be wrong. Visiting clubs at the season wrap-up included Milton, Streetsville and Oakville.

Local umpire has hand in Seoul event

Richard Willis of Terra Cotta won't be attending the 1988 Summer Olympic Games in Seoul, South Korea later this month but his presence will be felt there nevertheless.

Willis, a member of Baseball Canada's umpires technical committee and the chief official for Ontario, was part of a four-man panel that selected Canada's umpiring representative to the Seoul Games' baseball competition.

Jim Cressman, a sportswriter with the London Free Press, will be behind the plate for Canada when the baseball competition takes place in Seoul. Cressman, who has had professional umpiring experience at the "AAA" minor league level, survived a short list of Canada's top national and international umpires to make the Olympic grade.

Willis joined other high-ranking Baseball Canada officials from British Columbia, New Brunswick and Quebec in considering applicants for Canada's umpire position. "It's the icing on the cake for Jim," said Willis of Cressman's selection to the Olympic umpiring team. "I expect he'll do an outstanding job."

The 1988 Games will mark the first time ever that baseball will be played as an official Olympic medal sport. In 1984 at Los Angeles (baseball was played as a demonstration event.

Meanwhile, Willis didn't let the duties of committee member take him too far away from the on-field action during the last few weeks. He umpired the Ontario Sr. "A" final recently in Oakville and last weekend was back behind the plate to call the strikes and balls in the provincial Sr. "B" finals in Dundas.

Which end up?

A member of the Halton Hills Gymnastics Club turns a deft hand during the club's demonstration at the annual Georgetown Fair last weekend. Several local gymnasts delighted appreciative crowds of onlookers with their polished acrobatic routines. (Herald photo)
