FIREPLACE WARMS TRADITIONAL COUNTRY KITCHEN

A covered railed verandah, multipaned windows and dormer provide nostalgic charm to this three bedroom heritage home. The carefully designed layout provides luxurious yet functional features within its 1,749 square feet.

Located off the two storey foyer is a large living/dining room with warming masonry fireplace and access to a rear covered verandah. Elegant French doors open to the verandah which invites quiet outdoor relaxation. The informal area of the home revolves around a huge country kitchen, efficiently designed with a handy pantry, roomy counters and large slate hearth fireplace with woodbin. This area offers abundant space for cozy family gatherings. A sliding glass walk-through opens to a rear deck.

The winding stairway leads to a gallery overlooking the foyer. The master bedroom features a windowed bay, his and her wall closets and luxurious ensuite with corner whirlpool and shower. The two additional bedrooms, each with abundant closet storage, share a large main bathroom with tub.
