## Lioness club meets

Georgetown Lioness Club held their September general meeting at the home of Lioness Norma Firth in Norval.

President Joyce Tilson was in the chair with 17 members present. Lioness Rita Boyle brought along her friend, Mrs. Pat Dunn of Australia. Sue Luciani came to accept a cheque for the Kidney Foundation.

Charter member and current treasurer, Kay Ledwidge is moving to Bobcaygeon in October. The club expressed how much Lioness Kay will be missed and extended best wishes to her and husband, Tom. Lioness Pat Mason was thanked for agreeing to assume the duties of treasurer.

Lioness Doreen Merrill thanked the helpers on the very successful Fabulous Fun Tent at the Georgetown Fall Fair.

The Ways and Means committee is meeting to discuss the Christmas Craft Sale.

Thankyou letters will go to Lioness Norma's husband for his hard work and the use of his truck at a recent work weekend at Camp Dorset, and also to Mrs. Stoyles for her kind donation of bedding and towels.

Lioness Billie is arranging a date for another Saturday afternoon Bingo and tea at the Bennett Centre.

The October general meeting will be at the home of Lioness Arlene Callaghan.

## Students mourn former classmate

This past week, GDHS mourned the loss of a former student, Philip Miller. Phil died as a result of a car accident early Saturday morning.

A memorial service was held for Phil Monday morning for GDHS students who knew him, with a short eulogy given by principal Barb Singleton.

Although Phil was no longer a student at GDHS, having finished last June, he was certainly a very familiar face, to both staff and students alike.

The funeral for Philip Anthony Miller was held Tuesday, at 10:30 a.m. at Holy Cross Church, with hundreds of Phil's friends present giving support to his father, George, his mother, Pauline, his brother, Ashley, and his sister, Joanna.

Philip was buried under a large, old maple tree, in a secluded corner of the Maple Avenue Cemetery. He will be sadly missed.

In other GDHS news, the SAA held a turkey shoot this past Friday, in which contestants were to shoot baskets in order to claim their

prizes. Due to the low nature (sorry, couldn't resist), it was a "Who Could Shoot The Most Consecutive Baskets" type of contest.

The swim team starts this Tuesday. Anyone interested is more than welcome to join. It looks as though

next? Have you noticed the new pavement at the end of the path leading from the east wing of GDHS to the Maple Ave bus stops? Nice, eh? But will it still be as icy in the winter?

That's just about all the time we've got for this week kids, but remember, "Never pay someone else to do something you can screw up yourself."

the swimmers will have a fairly strong senior squad this season, with many vets returning for yet another year, and of course, the junior squad looks very promising. "Swimmers take your marks..."

Why are GDHS's athletes always getting injured? Two weeks ago Senior Reb footballer, Mike Webster, suffered a career-ending shattered knee, and now the rugby team has lost Brian Terrel for a while with cracked ribs. What's
